# Do you like to garden and want to volunteer helping others garden?

- ▶ DIGA is currently very in need of volunteers to help with our clients who have physical disabilities in gardening
- ▶ The time commitment will depend on the gardeners' needs and schedule
- ▶ Most shifts are daytime weekday shifts
- ▶ The season continues until fall, so it is an excellent opportunity for the summer.
- ▶ DIGA can be a particularly useful experience for students interested in healthcare (ie physical therapy), sustainability, community, and mental health/psychology.
- ▶ More information can be found at Disabled Independent Gardeners Association
