## Capstone Day (regular classes not in session)

### What is Capstone Day?

On Thursday, April 11<sup>th</sup> each of our graduating students will be demonstrating their accomplishments in a Capstone Presentation to complete Career Life Connections 12.

330 students will be presenting to staff and members of our local community about their Capstone Projects and future aspirations. Heritage Woods is known throughout the district and local community for our Capstone Day. It is a day of celebrating the educational journey of our grade 12's.

It is done on a grand scale that requires all staff to execute so it is not a regular day in session for students in grades 9-11.

ATTN: Grade 11 & 12's

Please find your Capstone presentation time and room number posted on the **LIBRARY** windows.

If you have any questions, please see your CLC teacher.
