THINKING OF THE WORLD

SFU @ Heritage Woods

**January 29th at lunch in
the Library**

Topics will include:

How to complete your application to-do list, self-reporting grades, how to check your application status, when to expect an admissions offer, more information regarding scholarships and financial aid, and what your next steps should be after receiving an admission offer to SFU.

ATTENTION UBC APPLICANTS!

- If you applied to UBC between Dec. 03 and Jan. 15 you **MUST** complete your STS transcript selection by **January 31, 2019**.
- BC applicants who submit their UBC online application **after December 3** must provide UBC with their Personal Education Number (PEN) and order a transcript via StudentTranscripts.gov.bc.ca by **January 31**. When ordering a transcript, applicants should select “*Send my transcript now and allow this Post-Secondary Institution to request transcript updates*” and choose the default date (one year from the date of their order), so that UBC can receive their interim and final grades continuously.
- First-round offers of admission for applicants who submitted their UBC online application on or before December 3 are going out now and will continue until **February**.

If you need assistance with your STS selections please see Ms. Butler in the Career Centre.

The upcoming sessions are as follows:

- February 15th, 1:00pm – 2:30pm
- February 22nd, 12:00pm – 1:30pm
- March 25th, 1:00 pm-2:30 pm

Additional information about each session and registration to attend can be found at the following link:

Upcoming Spring BCom Information Sessions at the UBC Sauder School of Business.

These small gatherings provide a casual setting for prospective students in grades 8-12 to visit the UBC Vancouver campus, learn more about the BCom curriculum, tour UBC Sauder's teaching facilities, and hear from our incredible faculty. We encourage students to take advantage of this opportunity to explore their career possibilities in business.

Are you still working on your Waterloo AIF? Wondering what to say? What about Rotman supplemental? Or are you in grade 11 and thinking about where you will apply next year?

- **In addition to providing students with an efficient way to find scholarships that they are eligible for, Scholar Tree wanted to give prospective students some valuable insight from students who have walked their path before. Thus, the [ScholarTree Blog](https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918) https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918**
- **The holiday break is the prime time when students decide which University/College they want to attend next year. That is why recently our blog has featured first-hand accounts from students of how they got accepted into some of the more selective programs like:**
 - **How to get into Western Ivey and Rotman Commerce**
 - **How to get into Waterloo Engineering**
 - **How to get into McMaster Health Sciences**
