Dear Madam/Sir,

Re: 2020 After Grad Celebration

Heritage Woods Secondary School will be hosting an After Grad Celebration on June 6, 2020 and we are looking for your help! The event runs from 11:30 to 4:30 am. We are planning an evening of fun, food and prizes for the Graduates in a safe environment. An event like this requires financial support and it is our hope that we can count on you to assist our After Grad Committee by making a financial contribution or a donation in the form of refreshments or prizes.

Your assistance is greatly appreciated in helping us host this event and with keeping our Grads safe while gaining valuable exposure for your business.

We appreciate your kind consideration and look forward to hearing from you. You may contact the Heritage Woods Secondary School After Grad Committee bonjs1@yahoo.ca or casaito@shaw.ca Please let us know if you would like us to arrange for pick-up of your donation.

Sincerely,

Bonnie Stein & Christa Saito
