

HILLCREST MIDDLE SKI AND SNOWBOARD CLUB - 2012/2013

We are very excited about this upcoming year of Hillcrest Middle's Ski and Snowboard Club. This is our sixth year and we have had great success in getting students to learn and increase their skill. We accept all levels and encourage those who have not tried to come out and have some fun.

Your son/daughter has expressed an interest in joining our club. At this time we are accepting the first 45 students who reserve their spot. We will then make a decision if we order a second bus according to the amount of students who express an interest.

The costs for the lesson, lift ticket and rental (if needed) are fixed. There will be an additional cost for the bus, but that is dependent on the number of students who show an interest and how many buses will end up needing.

To Rent skis/snowboard + lift ticket and lesson = \$209*

Own equipment + lift ticket and lesson = \$148*

*tax included

FINE PRINT

LEAVE HILLCREST - 2:30 PM

LEAVE CYPRESS MOUNTAIN - 9:00 PM

RETURN TO HILLCREST - 10:00 (this time is approximate. We have the students contact parents on the way home to give a more accurate time of arrival)

DATES: ALL THURSDAYS - Jan. 24, 31, Feb. 7 and 14, 2013.

We leave Hillcrest at approximately 2:30pm and our lessons are from 4:00 - 7:00. After their lessons the students are then allowed to have free time until it is time to leave. They are to remain in groups of two or more. We plan to leave the mountain by 9:00 pm and return to Hillcrest by 9:45.

If we find a student alone on the mountain they will lose their option of skiing/snowboarding for the remainder of the night or the next scheduled time. If they are caught out of bounds they will immediately lose the remaining time at the mountain and their payment will not be refunded.
