Good Morning

I'm _____, I'm _____, and I'm _____, and these are the morning announcements:

[Sports Teams and Club Photos](#) NEW

Our professional photographer is here this morning to take pictures of our sport teams and clubs. These photos will be used in our yearbook. In about 10 minutes, we will announce the team or club to make their way to the music room. Please listen or you'll miss the chance to get in the picture!
