## RULES/INFORMATION

- Each team's pool corresponds to the court they will be playing on (ie: Teams in Pool A will play on Court A/Court 1).
- Games will begin every 12 minutes and will be running time. Teams are co-ed (*boys mixed with girls*). Rotation of players will occur after every 6 points (every time your team gets to serve).

### **We will be playing Triple ball as follows;**

Standard Volleyball rules (6 on 6) with the following additions:

**Sequence** The game follows a sequence of three rallies (service, free ball 1, and free ball 2).

- 1st rally – introduced by the server
- 2nd rally – introduced by a free ball tossed to the receiving team
- 3rd rally – introduced by a free ball tossed to the serving team

The service alternates between teams after each three-ball sequence.

After each rally is complete, the ball must quickly be removed from the court so the next sequence can be started. Both teams must allow enough time for the ball to be removed from the court before starting the next sequence.

**Scoring** Every ball introduced is worth one (1) point; a set can be won in the middle of a three-ball sequence.

**Toss** A coach, assistant coach or a competent volunteer can toss the free ball to their team and can step into the court to do so. The tosser will immediately move off the court after the toss. Free balls are tossed underhand, with two hands and little to no spin, above the height of the antennae to allow athletes time to play the ball. The ball should be tossed to the player in position six (back row middle).

**Rotation and Substitution** The coach must write his full service order on the score-sheet, including the athletes on the bench in the proper order in which they will enter the game. After the three-ball sequence, players on the serving team will rotate clockwise. Player from position one (server) will move to the bench, the first player "in line" on the bench will move to position six (back row middle).

- Each team should be comprised of 6-10 players. Replacing players on other teams for games (ie: a player needs to leave, gets injured, etc...) will be done @ coach's discretion, providing that doing so does not intentionally infringe on the equal playing time philosophy. Coaches are to be with their teams @ all times during games, and to also supervise (or arrange for supervision) during breaks.

- Referees & scorekeepers will be provided by Pinetree Secondary leadership students. All calls made during game play will be final and coaches are asked to be respectful and to keep the aim of the event in mind when communicating with referees.

- A **concession** will be available and run by Pinetree Secondary School.

- EVERYONE HAVE FUN!
