We acknowledge with gratitude that we live, work and play on the unceded and traditional territory of the Kwikwetlem First Nation, which lies within the shared territories of the Tsleil-Waututh, Katzie, Musqueam, Squamish and Sto:lo Nations.

Celebration: LBP Courtyard Transformation

We celebrated! October 1st the PAC partnered with the school to co-host honoured guests from the Royal Canadian Legion #263, Kwikwetlem First Nations and SD 43 to celebrate the \$10,000 donation from the Legion and the progress transforming the courtyard. Mural artist Laura Johnson and her apprentice Izabel Zuvic joined to describe the story of the murals. The best part is we have exciting plans to develop the courtyard further – and the Legion is keen to continue supporting our progress.

The PAC has been busy, and we are excited to share updates on our activities. Read below for more information.

Updates from LBP PAC

WE NEED YOUR HELP! Our current PAC executive team is amazing but at capacity. To accomplish all we hope/need to this year, we need more people willing to help. The garden project is exciting, but we can't do it alone. Monthly programs like hot lunch or pizza sales can't happen without parent volunteers. Funding decisions are more difficult to make without input from you. We want to best represent the LBP community in all decisions. To do this we must hear your voice and listen to your feedback. Please join our team!

Donation for Residential School Survivors

As we shared last month, the PAC partnered with Prolific Soul Apparel to provide custom designed orange shirts to commemorate the inaugural Truth and Reconciliation Day. 100% of proceeds were donated to the [Indian Residential School Survivor's Society \(IRSSS\)](#). \$1687.50

was donated to help provide services to residential school survivors. As a thank you for our donation, the IRSSS gifted us with beautiful cedar feathers which were forwarded to Principal Fridge for display in the school.

Music on the Playground

LBP school grounds are more amazing than usual these days! Meet Mr. Dramer, new music teacher for all classes at LBP. You may run into him as you drop off or pick up your kids, or you may hear stories about him as he loves to greet the kids with music as he wanders the school yard playing his guitar. A wise principal once said "if sports are the life of school, music is the heart"; it's easy to see the special connection Mr. Dramer has with his kids as he connects with them through his music. How lucky we are to have Mr. Dramer part of LBP!
