We acknowledge with gratitude that we live, work and play on the unceded and traditional territory of the Kwikwetlem First Nation, which lies within the shared territories of the Tsleil-Waututh, Katzie, Musqueam, Squamish and Sto:lo Nations.

## Welcome to/back to LBP!

*nəmi cəp kʷətɬwɪləm* (you are welcomed) is the phrase on the beautiful mural in the courtyard designed by Jeska Slater and painted by Laura Johnson. The PAC is so proud of the progress of this transformation which continues this year with developing an outdoor garden. Check out the courtyard to see our progress, and join our first PAC meeting to learn more about how you can

become part of the PAC and support your child's experience at the school. I look forward to partnering with you.

The PAC has been busy, and we are excited to share updates on our activities. Read below for more information.

## Courtyard Transformation Project

In September 2020, LBP teachers returned to school with one priority: **transform the courtyard so students could learn outside**. Quickly, we got to work. The courtyard transformation will happen over 3 years. We are very proud of what we have accomplished so far and are excited to continue our progress developing an outdoor garden this year. We would love your help! [Email Hollie](#) if you are interested in getting involved.

Check out the pictures below to follow progress of the incredible mural painting that happened this summer.

## Donation to Support Orange Shirt Day

The LBP PAC was excited to partner with new business *Prolific Soul* to provide custom designed orange shirts to support Orange Shirt Day (September 29<sup>th</sup>) and to donate proceeds from sales to the Indian [Residential School Survivors Society \(IRSSS\)](#). This is a provincial organization with a 20-year history of providing services to Indian residential school survivors. We are thrilled to share that 111 shirts were sold to the LBP community which means \$832.50 will be donated to [IRSSS](#).

## Support LBP

All money raised goes directly to improving the educational experience – like the outdoor classroom!
