## OFFICE REMINDERS: ABSENCES/LATES AND FORMS

Please remember to inform the office of any student absences/will be lates by 9:00am. You may call the school at 604.936-1436 or log An absence form online. **If a student is late, please have them report to the school office upon arrival for a late slip.** This will inform us that the student has arrived and the office can then correct the attendance records. **For early dismissals please remember to**

**sign the student out with the office when leaving the school.** Thank you for your cooperation.

## Library Website

Check out Mrs. Caspar's website. It gives students access to the library catalogue so they can search the LBP library or check their accounts from home. They can also use the online encyclopedia, play educational games, get homework help, search the public library (if they have an account) and much more! There's a page for *Students, Preschoolers* and *Red Cedar* participants. For access to their library account, students use their LBP computer username and password and for the databases (encyclopedia) - Username: lbp, Password: elementary.

### D.E.A.R and Pajama Day

On October 26 we will be participating in the BC Drop Everything And Read Challenge. Students are encouraged to wear their pajamas, bring a pillow, stuffy or whatever. We will hunker down in the halls at 11:40am and join close to 100,000 students across BC for 20 minutes of sustained silent reading (K's will be read to). We are hoping to have some readers join us from the RCMP, School Board and Fire Dept. Since sustained silent reading increases comprehension, builds vocabulary and increases writing skills we love to Drop Everything And Read!

# Milk on the Mooooooove

In September Lord Baden-Powell was lucky to be able to enjoy and learn about agriculture and the dairy industry. Kids learned about basic cow biology, the importance of milk in a healthy balanced diet and were taught about the Canadian Dairy Industry. Some of our urban students got to see for the very first time in their life a real cow and calf and witnessed a live milking demonstration at work. Thanks to Mrs. Vendramin for discovering this for our school and booking it last Spring. All we can say is **AWESOME!**

The SCHOLASTIC BOOK FAIR is coming soon.

## LBP PAC

Dear Parents and Families,

I hope that everyone had a great summer and is now fully immersed and settled into their Fall routine and the start of the 2015/2016 school year here at LBP.

Our PAC has been busy getting organized and we will have our first PAC Meeting on Thursday, October 15<sup>th</sup> at 7:15pm in the library. All parents and caregivers of LBP students are welcome and encouraged to attend and we hope that you are able to join us. We will have childminding available by the grade 4 and 5 students.

Our PAC Meetings provide an opportunity to find out what happens here at the school behind the scenes and to have a say in matters that affect our children. Our Principal, Ms. Christine Potter-Smith, will be there as well as Mr. McMitchell on behalf of our teachers. All matters big and small are discussed and we welcome your support.

Also, please note our Scholastic Book Fair on October 20<sup>th</sup> and 21<sup>st</sup>. If you haven't had a chance to send in your volunteer sheet and would like to help out, there is still time. Please send your form in on Tuesday or feel free to email me at [monica.reis@hotmail.ca](mailto:monica.reis@hotmail.ca).

Have a great Thanksgiving long weekend!

Monica Reis

## **Update on the Mountain View Co-op Housing Complex Fire**

Port Moody Fire Rescue responded to an apartment fire at the Mountain View Co-op Housing Complex at 900 Clarke Road in Port Moody shortly after noon on October 7, 2105. Impacted residents were transported by bus to the Kyle Community Centre at 125 Kyle St. in Port Moody where emergency services were provided.

Some of our School District 43 students attending several different schools and their families were impacted by the fire and SD43 is providing support services to those impacted students.

Offers for support and donations are pouring in from the community. Emergency Services has provided for the residents' immediate needs including food, hotel accommodation and basic necessities, but further community support may be needed in the days and weeks to come.

The City of Port Moody has organized the support and donation process. Here is information on what is being organized and how you can help:

- Community volunteers and the Coop have already organized a Thanksgiving dinner for the residents and preparations are well under way.
- Mountain View Co-op has advised that they are at capacity for physical donations (clothing, etc). They suggest the donation of gift cards rather than clothing.
- People who want to provide financial support are encouraged to donate to the fund. If you wish to donate money, the Trust Account for Mountain View Co-op is #2067031 Branch #52. Deposits can be made at any VanCity credit union. Electronic transfers are not possible.

Look for updates on [www.portmoody.ca](http://www.portmoody.ca) and on [Twitter](#) and [Facebook](#).

# BABY'S 1ST TWO YEARS

This Friday October 9, 1-2:30pm, in the Heritage Room (lower hall) at Place Maillardville Community Centre.

Guest speaker Rita Shergill, Counsellor & Group Facilitator with the Pacific Post Partum Support Society, will present on the topic of Adjusting to Motherhood. <http://postpartum.org/>

Baby's 1st 2 Years is a FREE program for expectant parents as well as parents, grandparents and/or guardians and their babies newborn to 24 months. A great opportunity to learn from guest speakers and to enjoy support, conversation and validation in a comfortable and relaxed environment. This is a free Drop-In program so there is no need to register.

We are very grateful to the United Way of the Lower Mainland and the Ministry of Children and Family Development, for their generous financial support without which this program would not be possible. THANK YOU. Many thanks to our Guest Speakers who provide their time and expertise for free.

NOTE: Our guest speakers are not here to sell product or service, but simply to provide you with the necessary facts to make an informed decision on what's best for you and your family.

## MOSSOM CREEK HATCHERY & EDUCATION CENTRE

Dear SD43 Teachers,

Hurray! Mossom Creek Hatchery & Education Centre has been rebuilt after the fire and we are now even better equipped to provide hands-on experiential learning and environmental education to students of all ages.

The creek, watershed and forest provide a natural learning environment just a short distance from most schools in the Coquitlam School District. The new education centre also includes a high-tech classroom, a deck for covered outdoor programming, an active hatchery, learning pond and several short nature trails that are fun to explore.

Mossom Creek Hatchery & Education centre offers 4 decades of experience in supporting and delivering fresh water and marine ecosystems education in the Port Moody area.

We are currently developing educational programs that correspond with the new BC curriculum and would appreciate your input and ideas so we can provide well rounded and useful program that support our local teachers! Please send your suggestions to [info@mossomcreek.org](mailto:info@mossomcreek.org) or contact our new Program Coordinator, Cleone Todgham at 778-223-2357.

If you are interested in testing and giving feedback on programs that we are developing, please let us know.

Visit <http://www.mossomcreek.org/> to learn more about us and to book a program for the 2015/2016 school year.

We are looking forward to hearing from you.

Sincerely,  
*Tracy Green*  
President  
Burrard Inlet Marine Enhancement Society
