February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

Parents of Grade Five Students

Parents of Grade 5 students should have received a letter notifying them of their child's assigned middle school for Grade 6 next year. Parents who want their child to attend a different school than the one assigned, must complete a cross catchment form which will be available on the district website (www.sd43.bc.ca). Parents must then submit completed forms either by email or in person to the School Board Office located at 550 Poirier

Street, Coquitlam. These forms will be date and time stamped as they are received.

February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

Parents of Grade Five Students

Parents of Grade 5 students should have received a letter notifying them of their child's assigned middle school for Grade 6 next year. February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

Parents of Grade Five Students

Parents of Grade 5 students should have received a letter notifying them of their child's assigned middle school for Grade 6 next year. Parents who want their child to attend a different school than the one assigned, must complete a cross catchment form which will be available on the district website (www.sd43.bc.ca). Parents must then submit completed forms either by email or in person to the School Board Office located at 550 Poirier

Street, Coquitlam. These forms will be date and time stamped as they are received.

Cross Catchment Process 2011 – 2012

Parents have the right to choose the school their children attend subject to availability of space. Should you want to choose a school other than your neighbourhood catchment school you must submit a "Cross Catchment Form" as outlined below.

 - § Grades 1-12 Cross Catchment (February 21st 9:00 am to March 11th 4:00 pm)

The District is encouraging use of the electronic version of the application form accessed through the District website (www.sd43.bc.ca) beginning February 7th for the Kindergarten process and February 21st for Grades 1-12.

Paper forms will also be available at all schools and on the District Website as of February 7th for the Kindergarten process and February 21st for Grades 1-12. February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

Meadowbrook News

(Scent Free School)

February 2011

Dear Families,

No snow days yet!!! We're well into our second term which is a very important one for our students. It is during this time that students begin to consolidate the skills and concepts introduced to them in the first term. Building on this foundation, teachers also begin to introduce new concepts. Children are expected to begin to make connections and apply knowledge into those new areas of learning and skill development. For students, this is hard work and can be challenging, frustrating, and exciting, all at the same time. More than ever they will continue to need your support at home in making sure that homework tasks and projects are completed in a timely fashion. Thank you for your ongoing support.

February is going to be a busy month with a focus on friendship. Some of the upcoming events are a PAC sponsored movie night, the Scholastic Book Fair, a SHARE food drive, Jump Rope For Heart (with a skipping demonstration) and a Friendship Day. Pink Day is a national anti-bullying day on February 23rd.

Parents of Grade Five Students

Parents of Grade 5 students should have received a letter notifying them of their child's assigned middle school for Grade 6 next year. Parents who want their child to attend a different school than the one assigned, must complete a cross catchment form which will be available on the district website (www.sd43.bc.ca). Parents must then submit completed forms either by email or in person to the School Board Office located at 550 Poirier

Street, Coquitlam. These forms will be date and time stamped as they are received.

Cross Catchment Process 2011 – 2012

Parents have the right to choose the school their children attend subject to availability of space. Should you want to choose a school other than your neighbourhood catchment school you must submit a "Cross Catchment Form" as outlined below.

Features of the 2011-2012 Cross Catchment Process:

- There are two separate forms and processes:
 - § Kindergarten Cross Catchment (February 7th 9:00 a.m. to February 18th 4:00 pm)
 - § Grades 1-12 Cross Catchment (February 21st 9:00 am to March 11th 4:00 pm)

The District is encouraging use of the electronic version of the application form accessed through the District website (www.sd43.bc.ca) beginning February 7th for the Kindergarten process and February 21st for Grades 1-12.
