### Message from the Principal

Hello Miller Park families,

Our Spring Conferences are coming up this week. Your children are excited to share with you what they have been working on and what they are most proud about. Make sure to connect with your child's teacher to join in on this time on Monday or Wednesday.

We dismiss early each of those days at 1:45pm to allow for time for families to come into the school. We look forward to seeing you then. The bookfair also runs all week and will be open early those days from 1:45pm-3:45pm. If your child has an after-school program on Monday or Wednesday, please make arrangements for pick up and drop off.

---

We have lots of other things to celebrate next week as well...

- Monday - our SFU Student Teachers return and will be here through Spring Break.
- Wednesday - Pink Shirt Day is Wednesday. If you ordered a Pink Shirt, we gave them out today.
- Thursday - we will have our monthly slide-show & assembly at 2pm. We hope you can join us!
- Friday - a reminder that Friday is a District Professional Day and school is NOT in session.

Sincerely,  
Mr. Jonathan Sclater
