SCHOOLS OUT**

Program Goals: The goal of this program is to offer local neighborhood children a safe environment to express themselves freely through expressive arts, visual arts, and recreational activities. We hope these activities will help them develop a long lasting connection with their peers, school, and community. Attendance is for Mondays **or** Wednesdays – **not both**. Please contact Sarah Yoon at sunju.yoon@success.bc.ca for more information.

**Applications will be taken at the school in person on December 19, 2017 at 2:45 pm in the school main entrance. A lottery will determine the spots in the program. Maximum 24 students – 12 on Mondays and 12 on Wednesdays. Sarah Yoon is the worker who will give you information about the program. If you cannot attend please contact her at the email above. A flyer and application form was send home with your child.

GAME DESIGN

Learn how to create board games and video games! Students will learn creative problem solving, design thinking and digital literacy through the game design process.

Designed for young learners, this session begins with students learning to work in teams to create board games, design game art and sculpt player pieces. Students then learn essential digital literacy skills such as how to use a laptop, mouse and Unity3D software to create their own video games! The session will conclude with a Demo Day for students to showcase their creations to family and friends. All hardware, software and supplies are included.
