	<p>the many existing structures to support growth in the areas of personal awareness and responsibility has strengthened our awareness of areas to build on and enhance as well as those to reinvent and reconsider. Structures such as restorative practices, in-class meetings, targeted guidance groups, Leadership, mediation and self-regulation strategies are examples of those we will grow and support. Our newly created Digital Responsibility Guidelines, a staff-student-parent collaboration will be implemented alongside a newly created Digital Literacy exploration and parent education partnership.</p>
