Administrator Presentation

- Through the Student and Family Affordability Fund, approximately \$30,000 are allocated to the school. The Administrator would like to use the funds to repair kitchen infrastructure in the school so kids can have nutritious meals. Unfortunately, the rules to use funds from the Student and Family Affordability Fund exclude capital projects. Funds must be used by June 2023. The Administrator would like to request parents to reach to their MLAs asking to include capital projects and to extend the deadline.
- Orange shirt day on Thursday. Encourage kids to wear an orange shirt on Thursday.
- Events to be organized and would like help from PAC:
 - ❑ Christmas Market,
 - ❑ Multicultural lunch,
 - ❑ Hoedown around Christmas

Treasurer's report:

- The budget for 2023 was reviewed
 - ❑ Gaming account: We expect \$9,000 based on 450 students
 - ❑ General account: There is an estimated expense of \$1,300 as PAC want to reactivate hot lunch and there are expenses related to operating a hot lunch program.
- Budget for 2023 has been reviewed and approved, moved by Danielle Nicholson and seconded by Jennie Robinson.

Discuss fundraising and treat days for the upcoming year

- There are multiple options for fundraising: Hot lunch, family portraits, Purdy's chocolate, coffee, babysitting courses.
- PAC discussed which options are convenient. It was decided to try Family portrait and hot lunch.
- Hot lunch ideas: Pizza, Sushi, WhiteSpot, A&W.

- Me and Ed date: Oct 26th
- One hot lunch with A&W (no juice) Nov 18th
- One treat day around December 9th (Cookies)
- PAC heard one suggestion from the Administrator: Run hot lunch on a Friday because Mo-Thu there are expo classes and student have little time to eat.
