- Nov. 8th **Remembrance Day Assembly**

Principal's Message

Read on to learn about all the events planned for October! Our Monthly Newsletters always contain important and helpful information. Please take the time to read them.

At this point we ask that all parents ensure that their children are at school on time and lined up outside with their classes by the time the first bell rings at 8:45 am. Please remember if you are late, enter the school **through the back door and report to the office**. It is also important that your children enter their classes on their own, or with office staff support if needed. It is imperative that we all foster independence in our children/students. As well, it is disruptive to classrooms and morning routines when parents are bringing their kids into classrooms. If you are experiencing issues with your child coming in on their own please see Mrs. James, I can help.

PAC Newsletter

PAC has a new and improved newsletter that one of our amazing parents is doing this year. Please use the link below to subscribe or unsubscribe to their newsletter.

BREAKFAST CLUB

Moody Elementary Breakfast Club is open to all our students. Our Breakfast menu includes a good variety of food items on alternating days; these may include: cereal/toast/drink/fruit, hot oatmeal/toast/drink/fruit, French toast/drink/fruit, scrambled eggs/toast/fruit/drink, pancakes/drink/fruit. Breakfast Club is in the gym and open between 8:10 and 8:40 am daily. There is no cost for breakfast but, donations and community sponsorship are always welcome. As well, parent volunteers are also always welcomed. Breakfast Clubs are a great way to ensure your child eats breakfast before school, as well as being a social place for student/community connections. We hope to see you there.

Recycling at Moody

1 week of collecting

Many of our students are now bringing snacks in foil wrappers. As a result, of the volume of this material, Ms. Allan, our youth worker, is taking on the monumental task of collecting it and dropping it off weekly to be recycled.

We do not recycle Juice Boxes, yogurt containers or soft plastics

As we do not recycle juice boxes or any plastic food containers, children are expected to take these items home to be recycled there. An even more environmentally sound choice would be to send these items in reusable containers.

We are always looking for donations of items you may no longer want for Arts & Crafts

Buttons, Shoe laces, Popsicle sticks, Egg cartons, Yarn, Newspaper, Games or game pieces, Paper towel rolls, Clean toilet paper rolls, nuts/bolts/washers, beads, etc.

APPROPRIATE OUTDOOR WEAR FOR WESTCOAST (WETCOAST) RECESS & LUNCH

Children will be playing outside at recess and lunchtime, rain or shine! Please send your children with appropriate outdoor wear (including footwear) for the weather. Rain boots, rain pants, hats and umbrellas can help children enjoy their outdoor time even more! A change of clothes would also be helpful for some students. Even on rainy days and snowy days, the fresh air break is very beneficial for children's physical and mental health. We do have one undercover area and several paved play areas for our rainy days. Thank you for your support.

Medical Alerts

If your child has any medical conditions we should know about, please complete a medical alert form as soon as possible. They can be printed from our website, found under Documents on the home page. If they require the administration of any medications, including epi pens please ensure you have the proper form completed by your doctor. Without the form we can not administer any medications. Thank you.

The cold and flu season is upon us! Some of the children have already had a bout of one or both of these infections. We have been talking to the children about what they can do to stay healthy:

- Eat properly
- Get plenty of rest at night
- Wear appropriate clothing for rainy days and cool mornings
- Wash hands! With soap! Often!
- Stay home if you have a fever, are vomiting, experiencing extreme coughing or are contagious

Health authorities tell us this is one of the most effective ways to ward off germs. After all, there are over 230 people in our school every day and that makes for a huge variety of germs to combat. Please reinforce this with your child. No one likes being sick, and if we can stay healthy, let's!

FAMILY MOVIE NIGHT

Friday Oct 18th

@ Moody gymnasium

Doors Open: 6:00 pm
