

Mountain View Elementary School

School District No. 43 (Coquitlam)

The 2018 Terry Fox School Run was a great success!

We are proud to announce that **Mountain View Elementary** has generously donated **\$1,557.05** for cancer research.

39 years ago, determined to make a difference in the lives of those living with cancer, Terry ignited a fundraising movement that cannot be stopped. Today, because of schools like yours, his message of hope echoes loudly in the voices of students and families everywhere.
