

Mountain View Elementary School

School District No. 43 (Coquiltam)

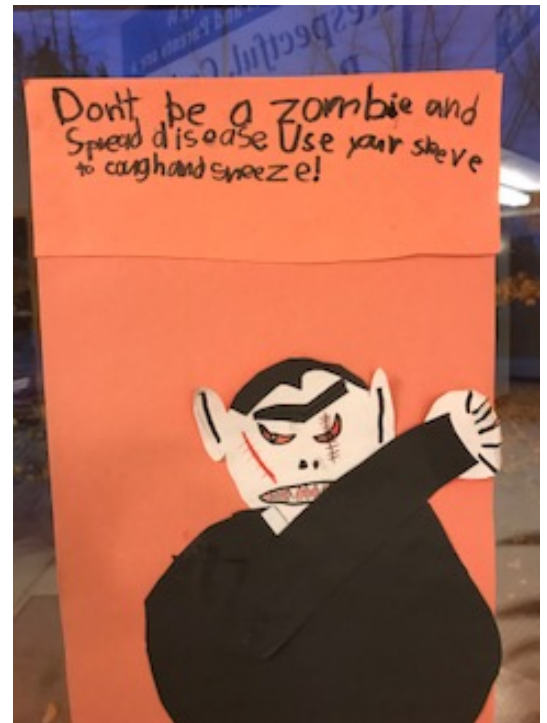

Hello Mountain View Families,

Upcoming Events

- Oct. 22-26th Informal Reporting
- Oct. 26th Halloween Party 5:30pm
- Nov. 1st Parent/Teacher/Student Interviews 1:50pm-5pm
- Nov. 2nd Celebration of Learning
- Nov. 8th Photo Retake Day
- Nov. 8th Remembrance Day Assembly
- Nov. 9th Curriculum Non-Instructional Day (no school)
- Nov. 12th Remembrance Day Stat Holiday (no school)

I hope you are all planning on joining us for our Halloween Party on Friday night. The party begins at 5:30pm and I can't thank our PAC enough for how involved they have been to ensure the night is fun and memorable for the families. On that note, please hold off on sending your kids to school in their costumes until Halloween Day on October 31st. We will be having a class parade on that day and I really can't wait to dress up myself.

Informal reports- Teachers will be communicating with you this week regarding how your kids are doing in their classes. Please call the office to schedule an appointment if you would like to meet with the teachers on Parent/Teacher/Student night November 1st between 2:00pm and 5pm. Pick up is at 1:50pm on that day. More Sports will be running their class from 1:50-2:50pm that day.

A note on Halloween costumes...please consider the following: props and weapons are best kept at home as students get upset when they are lost and with the range in ages we want to ensure our little ones don't get nightmares from scary costumes. Please use your best judgement so I don't have to be the mean one 😊

Here's a Math Problem for you to think about as a family....

Math Challenge #1 LINE UP

How long do you have to stand in line
No. 300 ??

CONCERT TICKETS

Figure This!
Math Challenges for Families

Figure This!
How long do you think you would have to wait in this line if you hold number 300?

Hint?
Estimation and measurement of time are basic skills for all. Businesses such as banks, fast-food restaurants, ski areas, and airports need efficient ways to minimize time spent waiting in lines.
