

Principal's Newsletter

HELLO MUSTANG FAMILY,

We practiced a Hold and Secure drill yesterday. I announced the drill over the Intercom and the students and staff follow along with the instructions. Our district asks us to practice a different drill every month. The main idea is to teach students to stay calm and to listen to the instructions.

MOUNTAIN VIEW MUSTANGS T-SHIRTS

\$20 for parents and students. I'll be sending the online link on Monday. T-shirts will arrive in time for Christmas.

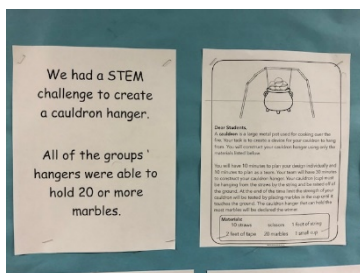

Scholastic Book Fair

Scooter Club Striking a Pose

You can feel the excitement from the students today as the book fair supplies arrived. The book fair will take place next week from Monday until Wednesday. All proceeds go towards purchasing books for our Library.

Students are challenged by STREAM Activities. STREAM stands for Science, Technology, Robotics, Engineering, Art and Math

Swimming

REMINDERS

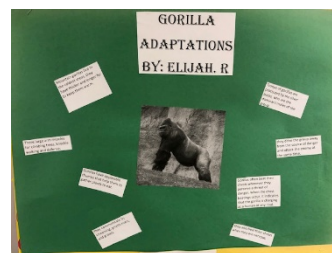

Our first swimming lessons start next Thursday. We have a bus that will be driving the students back and forth to Poirier Recreation Center which is just five minutes away. Lessons are for 30 minutes and students will be placed in groups of 4-5. Transitions will need to be quick so please send students with a hat and warm jacket. The school is taking on the cost as we truly value this experience for our students. We do have some bathing suits at the office if you are in need.

CLEAN MILK CARTONS NEEDED

Gingerbread House making will be upon us soon. We need clean milk cartons as the students use these as the foundation for their houses. We'll collect them at the office.

Elijah's representation of Animal Adaptations.

Have a great weekend, Mrs. Moss- Principal
