# November

It is hard to believe that September and October have come and gone. It has been a pleasure to see the students settle into their classes, make new connections (and solidify existing ones), work together and expand their learning. The ongoing commitment of staff, students and parents to participate as partners in education is truly inspiring!

Principal

### MUNDY ROAD APL (Action Plan for Learning)

Our school goal for this year:

Students will demonstrate an increased awareness of their emotions and strengthen their ability to manage their emotions and behaviour.

- We will begin by looking at the Social and Emotional Learning Core Competencies, specifically Self Awareness: *recognizing one's emotions and values as well as one's strengths and challenges* and Self Management: *managing emotions and behaviours to achieve one's goal*.

\*\*\*Please see the school website for full details on our APL

\*\*\*Please watch for upcoming information sessions/ workshops for parents about aspects of our school goal and aspects of the NEW BC Curriculum.

### **REMEMBRANCE DAY ASSEMBLY**

Thank you to all of the teachers, students and community members for their participation in today's assembly. It was wonderful to hear the students sing, play instruments and share their thoughts and ideas about Remembrance Day.

### **GRADE 5 VOLLEYBALL**

#### **Volleyball Season is Here!**

Our Coaches are Mr. Wright and Mindy McIlhargey (parent volunteer). The students have been practicing on Tuesdays and Wednesdays at lunch and Friday mornings. They are working hard and doing really well! We had our first game on Thursday, November 5<sup>th</sup> and have another one planned for November 23 . We hope to plan more as the month progresses. The players have been making great progress with their skills and will wrap up their season at the end of the month. Spectators and cheerleaders are welcome at all games!

### **THE MUNDY ROAD ROADRUNNERS BECOME THE MUNDY ROAD FALCONS!**

As some of our community may know there was a decision just before I (Mr. Wright) arrived at the school to change our name from the Mundy Road Roadrunners to the Mundy Road FALCONS. A committee of teachers met to help move this forward. We are putting a call out to all Mundy Road students to help design our new FALCONS logo.

When deciding on our new logo, we will be considering the following:

- Original design (Nothing "borrowed" from the Internet)
- Visual appeal
- Themes to be considered: Aboriginal, school-culture, natural surroundings, symbolism, etc.

We encourage students to submit designs to the committee (through their teacher) by Friday November 27<sup>th</sup>. The staff will then shortlist the submissions which will then be voted on by the larger school community. Once the design has been chosen, the student creating the design will work with an adult artist to render the final image.

We should have our decision made by the end of the calendar year.

Thank you in advance for the community's support and encouragement as we move this initiative forward!

## **WEST COAST RECESS Reminder**

We believe that children need to get outside into the fresh air at recess. They need an opportunity to run and play with their friends so that when they return to the classroom, they are ready to focus on their learning. As well, with our daily physical activity requirements, this is a perfect opportunity to get moving.

On the west coast, we could enjoy many more days of the beautiful weather we have been enjoying or we could experience weeks of rain. The fall season is here and so is the rainy season. Most days we will be sending children outside to play at recess rain or shine. We ask parents to be sure that children are dressed for the weather.

**In extreme weather, children will remain inside.**

## **CLOTHING DRIVE- Mundy Road Semi Annual Clothing Drive...November 30**

This is an easy and simple way for us to raise money for educational enhancements at our school. Last year close to \$800 was raised. The Developmental Disabilities Trust offers us the opportunity to raise funds by collecting the following cloth items and housewares:

### Cloth Items

Used Clothes  
Bedding  
Towels  
Shoes  
Purses  
Drapes  
Sewing Materials  
Pillows

### Housewares

Dishes  
Books  
Glassware  
Pots & Pans  
Toys  
Games  
Small Electronics  
Craft Supplies

**\*\* A full bag is considered a large green or black garbage bag approx. 36"x 26" \*\*  
If you need bags they are located outside the office**

**We invite everyone to participate in the clothing drive. Mundy Road families, your friends, neighbours and relatives.**

If you have any further questions please contact Tamara Sherdahl at [tamurtal\\_08@msn.com](mailto:tamurtal_08@msn.com)

## **CHRISTMAS MARKET**

### **MUNDY ROAD'S ANNUAL KID'S CHRISTMAS MARKET FRIDAY DECEMBER 11<sup>th</sup>, 2015**

We are asking everyone to look around your homes for very gently used or new items you can donate & recycle to another home! Collection Boxes are set-up throughout the school and outside each classroom.

For those of you who are new to our school community this is an annual event started over 8 years ago with the idea of reducing/reusing/recycling & allowing kids the opportunity to shop (items range from 25cents - \$5) and have items gift wrapped for their family and loved ones. Proceeds (an average of \$1,200.00 per year) go directly to creating a Christmas hamper for one or more families, as well as supporting other worthwhile charities.

This year this tradition is being carried on again and coordinated by, **TAMARA SHERDAHL** – but she still needs **many** parent helpers before, during and after the event to make it a success for the students and the families we will be supporting.

**VOLUNTEERING – you can help in many ways:**

1. Collecting and Sorting items over the next number of weeks - Please contact Tamara ASAP to let her know when you can help out!
2. The day before the event, Thursday, December 10<sup>th</sup> we will need help setting the Market up in the school gym from 9am-3pm. Please contact Tamara ASAP to let her know you can help out!
3. Then on December 11<sup>th</sup> we will need people from 8am-5pm to ‘man’ each table and to help at the gift-wrapping tables. After the event ends at 3pm, we will need people to help stay for a couple of hours to help clean-up, pack up remaining items, to put away tables, chairs etc. and to sweep the gym. Please contact Geraldine Robinson at: [ryandger@gmail.com](mailto:ryandger@gmail.com) She will be creating a schedule.

**For general inquiries please contact:** Tamara Sherdahl – 778-355-7253 or [tamurtal\\_08@msn.com](mailto:tamurtal_08@msn.com)

**For volunteers committed to helping on Dec 11,** please contact: Geraldine - [ryandger@gmail.com](mailto:ryandger@gmail.com)

**INFORMATION FROM SD43 ABOUT WINTER WEATHER** *(also posted on the school website)*

## Winter Weather Ahead!

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if at all possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs **before 6:30 a.m.** so that families can plan and make alternate arrangements.

**Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website [www.sd43.bc.ca](http://www.sd43.bc.ca) and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.**

*While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.*

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the Translink website:

<http://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes: [www.sd43.bc.ca](http://www.sd43.bc.ca)
