SCHOOL FORMS

All of our school forms are electronic this year, except for the Emergency Release form and the Student Verification forms. Both the Emergency Release form and the Student Verification form will be sent home in a paper copy with your child. If by next week you have not received a copy or you need another copy of either of these forms, please contact Ms Gibson at the office to get another copy (604) 936 4271.

At the beginning of each school year there are a number of necessary forms that we need you to complete. We are pleased to now have most of these forms online. It is crucial that you **complete the required forms for each student**. Please go online to the Mundy Road website at www.mundyroad.ca, click on the Parent eForms button and complete the **required school policy forms** as promptly as possible. You can even just click on the Parent e-Form below and you will be linked automatically to the eForm part of our website.

STUDENT PLANNERS

Students in Grades 1 through 5 will be using a Student Planner this year. Planners will go home this week with students, if they have not already been sent home. The cost of **the planner is \$7.00**. For ease of collection, cheques made out to Mundy Road School are preferable to cash. If cash is being sent with your child please send correct change. If you have any questions or concerns about the purchase of this item or if the purchase causes financial hardship please contact Mr. Wright directly.

STUDENT ABSENCES

Please report your child's absence online by completing an online Absence Report at www.mundyroad.ca. If you are unable to successfully submit an Absence Report, please contact our office at **604 936 4271** to let us know or leave a message on our school answering machine.

CARE PACKS

Parent(s)/ caregiver(s) will receive a letter home about putting together a personalized Care Pack for each student (see the Mundy Road website in the *Publications* section for the copy of the letter). This Care Pack is a part of our school-wide Earthquake/Emergency Preparedness Plan. This personalized Care Pack will provide your child with comfort and nutrition during an emergency and will be returned at the end of June 2016. It would be wonderful to receive a Care Pack for each student as soon as possible. Please let your child's

classroom teacher know if you are unable to provide a Care Pack for your child(ren) and one will be provided for them by the PAC Emergency Committee.

NUT ALLERGIES

The number of students that have life threatening nut allergies appears to be increasing. It can be extremely frightening for parents of children that have this allergy. The presence of **any** peanut product (nuts or oil), even if baked into cookies or cakes, can present a **life-threatening** situation. Even a trace of peanut residue on a desk or book could be life threatening.

We are requesting that you avoid sending peanut products in your child's recess snack or lunch, if possible. In the event that a student does bring foods to school that include nuts or peanut butter, he/she will eat their lunches and recess snacks in a separate location. Students should then wash their hands thoroughly after eating.

Because many younger students do not know what is in their lunch, the best way to deal with this is to avoid sending nut products to school and save them for home time.

Thank you, in advance, for helping us to ensure a safe environment for all of our students. Your cooperation will be very much appreciated. If you have questions, please contact the school.

WEST COAST RECESS

We believe that children need to get outside into the fresh air at recess. They need an opportunity to run and play with their friends so that when they return to the classroom, they are ready to focus on their learning. As well, with our daily physical activity requirements, this is a perfect opportunity to get moving.

On the west coast, we could enjoy many more days of the beautiful weather we have been enjoying or we could experience weeks of rain. The fall season is here and so is the rainy season. Most days we will be sending children outside to play at recess rain or shine. We ask parents to be sure that children are dressed for the weather.

In extreme weather, children will remain inside.

VOLUNTEERS AND VOLUNTEER DRIVERS AT SCHOOL

As in past years, we acknowledge that school volunteers provide a valuable contribution to the successful operation of our school. The support volunteers provide to Mundy Road students has a direct and positive influence on the quality of education for our students.

Volunteer activities include:

- Volunteering with small groups or individual students;
- Assisting students with special projects;
- Assisting with coaching opportunities
- Providing transportation and supervision on field trips and extra-curricular events; and
- Assisting staff with organizational tasks.

While encouraging volunteer involvement in our school, we are also committed to providing a safe, secure and caring environment for all our students. The Board of Education of School District No. 43 (Coquitlam) recently reviewed updated volunteer procedures, which are now in effect. To support this, we ask that volunteers fill in the "Volunteer Application eForm". If your volunteer duties are not under the direct supervision of a staff member you will be asked to provide evidence of a criminal record check. Volunteers who have already completed this process are asked to review their criminal record check no less than every five years.

Volunteer drivers must provide a criminal record check, a driver's abstract and complete the "Driver Application eForm" as well as the "Volunteer application eForm".

*Please take note of the revised regulation details from *Boost BC* for private vehicles listed below.

- Children at least 9 years to 16 years are to be secured:
 - in a seating position equipped with a shoulder harness or
 - in a lap belt, if a seating position equipped with a shoulder harness is not available

STUDENT SERVICES

Our Student Services team is available to support students in need of extra help. Many students are already part of an established caseload. New referrals come from the classroom teacher. If you have a concern about your child's progress, you must speak with the classroom teacher who can then access our School Based Team if needed. At that time, plans can be discussed about how to support the student. Priorities are set based on a variety of reasons, including need and resources available.

SPECIAL EVENT ASSEMBLIES

Throughout the school year, our community will gather for fine arts performances, special holiday presentations and school wide event assemblies. Parents and guests are always welcome to attend these assemblies. Notice of such assemblies will be communicated through our school website (calendar).

SPORTS DAY

Our annual Sports Day is Thursday, September 24th, in the morning (Terry Fox Run in the afternoon). It will be an Environmental themed day. We are calling it the "Go Green Olympics"! Students will be encouraged to dress in green if they wish. We will be holding our Sport's Day rain or shine! If it rains we will have indoor activities. A hot lunch order form has been sent home for lunch on that day, if you wish to order. A concession will also be available. However, it is advised to pre-order your child's lunch to ensure they get what they want.

The day begins at the usual time, 8:50am, students will be involved in team activities until lunchtime. After lunch it is our annual Terry Fox Run.

Parents, grandparents, guardians, etc. are welcome and encouraged to come out and cheer on the children!

TERRY FOX RUN

Our annual Terry Fox Run will happen on Thursday, September 24th, after lunch (Sports Day in the morning). Donations to the Terry Fox Run can be made at the office, or through the collection basket in your child's classroom. We hope our gorgeous weather will hold out and we encourage all of our community to join us that afternoon. All members, young and old are encouraged to come out and walk, run, or stroll(er)!

STRONGSTART CENTRE

Just a reminder to anyone with children under 5 years of age – our StrongStart Centre is open each day school is open, during the afternoons, from 12:45 to 3:45, Monday to Friday. Mrs. Carlson, the StrongStart Centre Early Childhood Educator, brings her room to life with music, art, literature activities, water and sand tables, as well as time in the 'big gym' or outside on the playground. This is a free program and you can come for as long as wish during the hours we are open, and you can start anytime between 12:45 to 3:45 time. We encourage you to drop by - lots of moms, dads, grandparents, and caregivers fill this room each afternoon and we are very happy to see our StrongStart room brimming with children!
