Principal's Message

No act of kindness is too small. The gift of kindness may start as a small ripple that over time can turn into a tidal wave affecting the lives of many.

Kevin Heath

February has been a month to celebrate kindness at Mundy Road and I think that we would all agree with the words quoted above. In our classrooms and throughout the school, everyone has been working on adding small acts of kindness to build the "tidal wave" in our community. I personally have been the recipient of this kindness as students, teachers, parents and the community at large have welcomed me with open arms over the last month.

THANK YOU!

Rob Wright
Principal

Ready, Set and Learn was held at Mundy Road on February 18th in the gym and Strong Start room from 1:00 to 3:30. Principals from the neighbouring schools welcomed 3 and 4 year olds and their families from the community. The event was a hit with the kids and parents.

When you are kind to others,
it not only changes the world,
it changes you!

Jump Rope for Heart Kick off

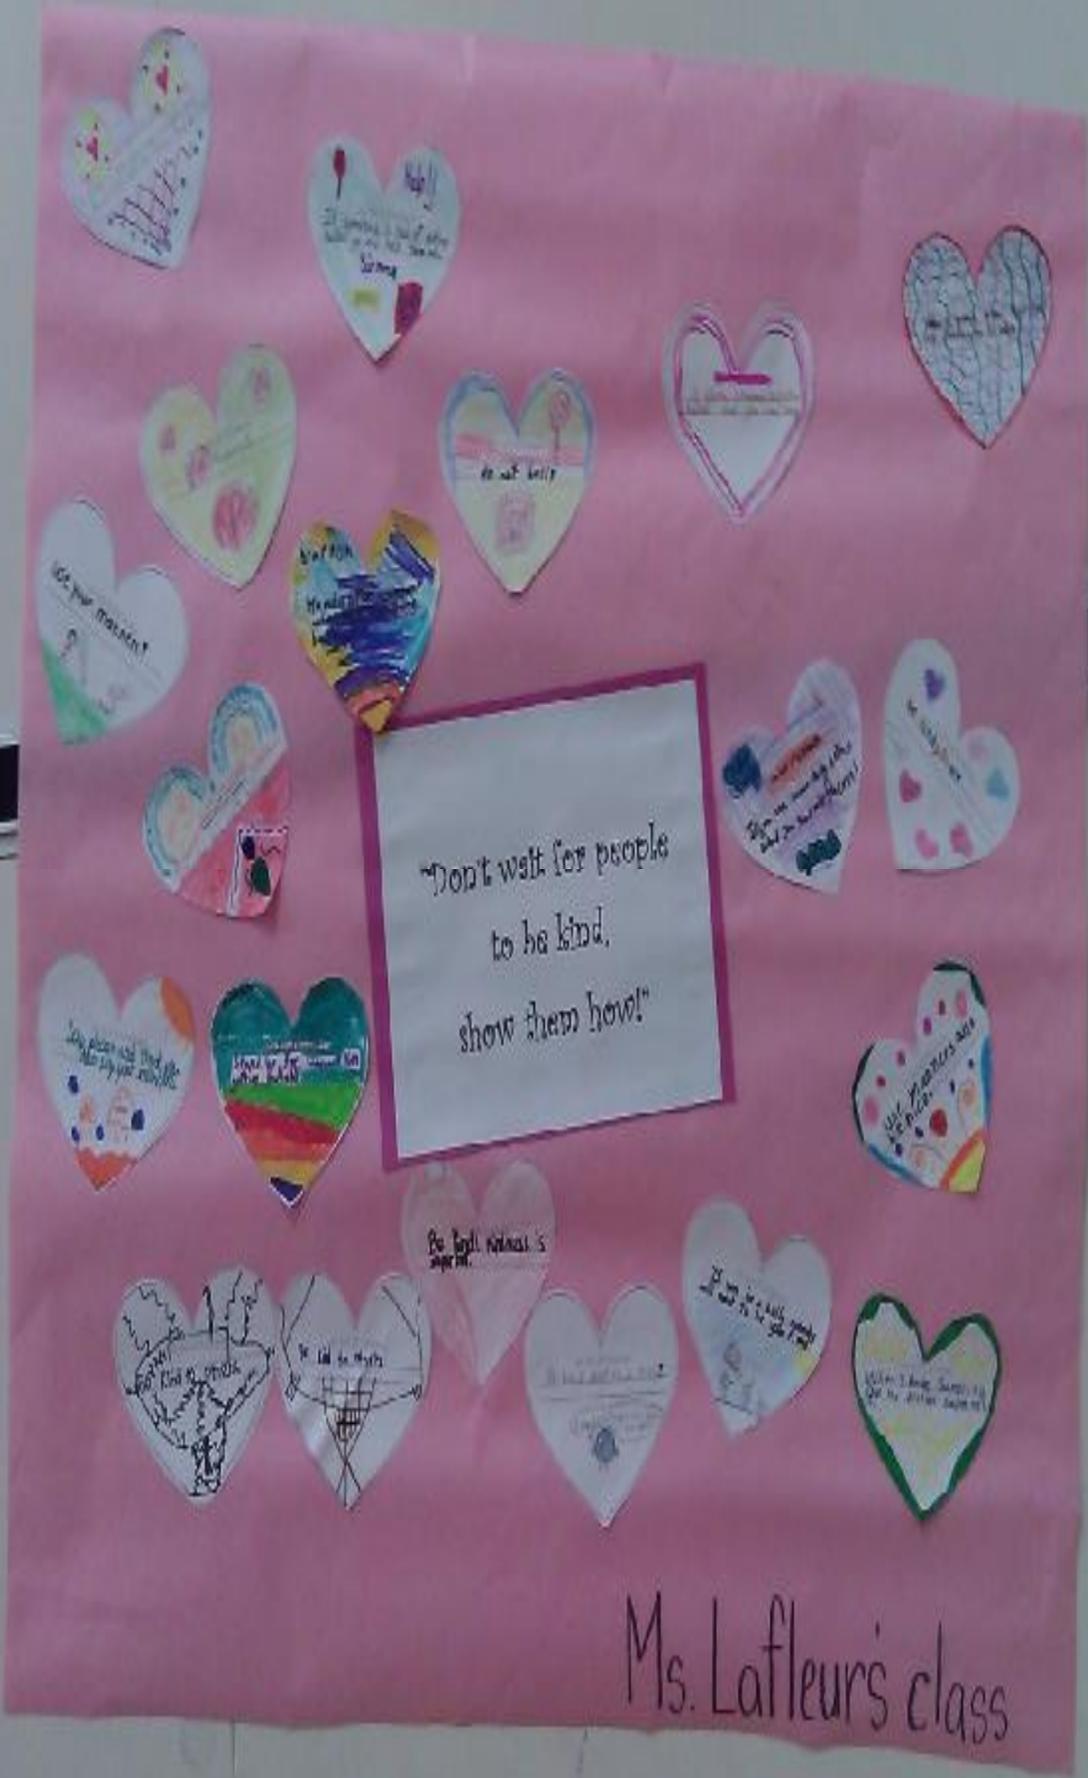

Jump Rope for heart kick off assembly was on February 20th and students were given envelopes to raise money for Jump Rope for Heart. The Jump Rope Assembly will be on March 14th in the gym. Envelopes are due back that date as well. Parents are welcome to join the kids for jumping on the 14th. See you with your jumping shoes on!

STUDENT FILE DOCUMENTATION

We have been reviewing our student files to ensure that the Ministry of Education mandated documentation requirements (parent/child citizenship & proof of residency) have been met. As the requirements have changed in the last few years, our School Board has asked that we check and update the files. We will be sending home a notice requesting that any missing documentation (original documents) be brought into the school office for copying and placing in the student file. Thank you for attending to this extremely important request. If you have any questions or concerns, please contact Mr. Wright

Don't wait for people
to be kind,
show them how!
