## Pinetree Way Elementary

### Reflection

As a staff, we spent dedicated and targeted time at Staff Meetings during the last three months discussing each goal area.

All of the data and ideas included in this document are a synthesis of the comments, plans, and ideas generated by the current staff.

As we move into a post-COVID phase, and under new leadership by incoming Principal - Cheryl Woods, the school will resurrect some past practices forced into hibernation due to health restrictions, dust off some strategies of old, and introduce new ideas to tackle each of the three focus areas.

The APL process of this past year has helped to reinvigorate and engage our staff in the school goal-setting process.
