Reports

Treasurer – May Luong – Not much activity in the accounts other than the bank fees. Motion to pass the wish list Janine and Jeremy, all in favour of passing the wish list for the teachers, passed by everyone. Signatures for the bank will be complete tomorrow (Thursday February 11th 2021)

Secretary – Janine Inotai – absent (nothing to report)

Vice Chair – Summer Wright (absent) nothing to report

D-PAC rep – Jeremy Bauman – attended last DPACC meeting on January 24th. Jeremy shared some information on what SD 43 has been doing to support families by having two options for families, learning online or a gradual entry where students start at home and then move to the classroom. Lots of students who started at home are now back in the classroom. Also shared some information about a slide show that was shown at the meeting regarding technology and students and screen time. Next meeting Feb 24th , 2021.

Fundraising co-ordinator – Maria Magnusson (absent) nothing to report

Principal – Darren Stewart – had a wonderful first couple of weeks, been around all the classrooms to see what they are all working on, amazed at how the students have responded to him (not the staff so

much as they played a water prank but all in good fun). Shared a power point on what he has seen in around the school, all great things! Ministry covid safety enhancements, all students to wear a mask all the time unless they are sitting at their desk. FSA's coming up for grade 7's.

PAC will still continue to provide \$500 bursary to a Riverside student who attended Pitt River

Meeting adjourned – 8.15pm

Next meeting March 10th – 7pm (via zoom)
