Liaisons at Work

Knadine Hunt, Vice President CPF Tri-Cities and the Liaison for Glen Elementary attended the Annual CPF BC/Yukon conference and AGM in Vancouver along with Nadine Hoult, President and Irvine Liaison. Knadine Hunt had this to say about her experience...

I learned so much about what CPF does and was very inspired by some of the presenters. In particular it was amazing to hear two French Immersion graduates present their award winning "Concours d'Art Oratoire" (speeches) which such beautiful accents and fluency. It was also inspiring to hear a mother and daughter talk about their experiences in French Immersion. The daughter, who is studying to become a FI teacher, thanked her mother, now a principal of a FI school, for keeping her in French Immersion even though there were many days that she wished she wouldn't. It's all worth it!

CPF AWARDS 2008/2009

To emphasize the importance of a second language education and to help retain students in French language programs the Tri-Cities chapter of CPF presents selected Grade 6-12 students with a plaque in recognition of their effort, hard work and enthusiasm in completing the French curriculum at their respective level.
