*We know that school supplies can be expensive so we would like to encourage students to re-use school supplies from previous years and simply refresh some items. Students: please take care of your school supplies!

Optional items:

- report covers

Laptop/tablet – if you would like your child to use one, they may do so. That does NOT mean that you should go out and buy one – it is up to you! We would like to give students the opportunity to bring one if it will be helpful for them – however it is NOT a requirement.☺

* Please review school and district policies around use.

The school is not responsible for the loss or damage of personal electronic devices.

****Students may also use smart device applications; however if they do not follow school and classroom rules for the use of technology, they will not be permitted to use their devices in class.**

Please make sure that all supplies are marked with your child's name
