# **Principal's Report**

**October 3rd, 2018 7:00 Library**

1. Reporting Template: School District 43 has created a new template for the 2018-19 school year that is more in line with the revised curriculum. It uses appropriate language communicate student learning within the context of the new curriculum.
2. Book Exchange: Classes will have access to the library with book exchange facilitated by Mr. Watkins. He needs a few parents who can assist with shelving books at 9:00 or 2:30.
3. Terry Fox Fundraising total was \$3400. This is the highest total in school history. Thank you to parents who helped out during our school run and thanks to everyone for your generous donations. Mr. Watkins and a small team of Grade 5 runners will take the cheque along with representative from a number of local schools and run from Seaview Elementary to the Terry Fox Foundation Offices in Port Coquitlam to deliver the money in person.
4. Halloween: Buddy classes will carve pumpkins in the morning. At lunch students will change into their costumes and we will have a costume parade through classes and finish with a small performance assembly in the afternoon.
5. Mr. Watkins met with a Steven Judd from Port Moody to try to find ways to make the drive through safer and more efficient. We need parents to drop off and not park in the drive thru.
6. Concrete stairs to the top field are complete. The play area is still needing some work to finish it. The logs are being milled for the seating area. After meeting with John Vantoul the final cost will be less than originally assigned to this project.
7. Run Club volunteers needed at lunchtime. Any day available parents can pass out popsicle sticks to help motivate our runners.
