DAILY HEALTH CHECK

Please complete this daily, prior to coming to school.

Please visit <http://www.bccdc.ca/schools> for further information including access to the [K-12 Health Check App](#).

SHELTER IN PLACE - WILDLIFE: Please know that schools have a wildlife protocol should wild animals be seen in and around the school or neighbourhood. In the event of a wild animal sighting, schools will be put into a Shelter in Place. This means that hazards are kept outside the building while students are kept safe indoors. If students are already outside, they will be brought inside through an established protocol.

Also, if walking to school, please consider your route right now and consider:

- using well lit / busier roads and walkways
- walk noisily in groups
- avoid forest paths and walking alone

To report a conflict with wildlife that may threaten public safety call the Ministry of Environment Conservation Office at 1-877-952-7277.

We will continue to monitor the situation in the interest of school safety.

LOST & FOUND:

- A girl's ring was found in the school on Monday, March 8th. If you have lost a ring with a colored stone please claim at the office.
- Have you lost any clothing or small items? Please check the Lost & Found bin and/or board located outside the office.
