NATIONAL INDIGENOUS PEOPLES DAY **NEW**

June 21 is National Indigenous Peoples Day. This is a day to recognize and celebrate the unique heritage, diverse cultures and outstanding contributions of First Nations, Inuit and Métis peoples. Although these groups share many similarities, they each have their own distinct heritage, language, cultural practices and spiritual beliefs.

In cooperation with Indigenous organizations, the Government of Canada chose June 21, the summer solstice, for National Indigenous Peoples Day. For generations, many Indigenous peoples and communities have celebrated their culture and heritage on or near this day due to the significance of the summer solstice as the longest day of the year. Learning about Indigenous Peoples, places and experiences is a step forward each Canadian can take on the path to reconciliation.

What will you do, today, to learn, recognize, and celebrate Indigenous peoples? There are many community events happening today; check something out!

A MESSAGE FROM THE GLOBAL SOCIETAL ACCEPTANCE CLUB: **NEW**

The GSA Club wants to acknowledge the importance of Pride Month for the LGBTQIA2S+ community in our school. We want to remind PMSS staff and students that this is a time to listen, to learn and to grow; a time to give space to queer voices and to understand the struggles we continue to face. This June is a celebration and a continuous fight for everyone's right to love and live freely regardless of sexual orientation, gender, gender expression, sex, and ethnic background. We will not tolerate discrimination and ignorance of any kind but instead, help educate any individuals in hope they grow along without community. Happy pride Month Port Moody Secondary.
