

Port Moody Music Department - November and December 2015

Dear Band members, the next two months are particularly busy. All of our rehearsals have been leading up to our 'Christmas performance season'. Below, you will find a list of the performances that we have committed to.

Sometimes, conflicts are unavoidable, despite your best efforts. Please let me know well in advance by email if there is a rehearsal that you have to miss or if you are planning on being out of town for any of our performances. Attending rehearsals is an expectation that continues throughout the year. Please manage your time wisely.

- Tuesday December 15 – no rehearsal for PMCCB
- Saturday December 19 @3-4PM – PMCCB plays the Christmas Train – behind city hall – bring a stand , wind clips, and something warm and festive to wear.

Admission for individuals at our concerts is a recommended donation of \$5 for adults, \$2 for students and seniors. I encourage you all to support the Port Moody Music Department by purchasing season's tickets to our concerts. For only \$25, you and your family will be able to attend all of our concerts and we will be able to maintain and replace our musical instruments and equipment, and bring in clinicians while your son / daughter is participating in the program.

All of our musicians, young and old, have the same uniform!! It is really important that our students don't stand out because they look 'out of uniform'. Black shirt with a collar, black pants, socks and shoes, and our uniform blue tie. No jeans, running shoes, white socks, please! At our Christmas concert, festive, seasonal accessories are encouraged. Uniform shirts and ties are available through Mr. Clark and Mr. Luniw.

Yours sincerely,

Andrew Clark - Mike Luniw
