

DIGITAL FOOTPRINT

Your goal is to reflect on your digital footprint. You will share how your digital footprint can impact your future education, grad school application, or job and career prospects. With this assignment, we want you to describe the key messages around digital footprints and learn to share with your peers how you will be able to manage your digital footprint responsibly.

"Your Digital Footprint May Be Unflattering" Video

Questions (Pick 3 of the 6 questions to answer)

How might your digital footprint affect your future opportunities? Give at least 2 examples.

Describe at least 3 strategies that you can use to keep your digital footprint appropriate and safe.

What strategies could you use to protect your own identity when using social media?

How could social media be used in a positive manner?

What are some ways you can limit the amount of online content that you are constantly consuming?

What red flags or warnings would indicate that someone you are talking to online may in fact be unsafe?

Deliverables

You have the option of doing the response in one of the formats listed below:

- Option 1:** Video Response (1 - 1½ minutes in length)
- Option 2:** Poster/Infographic (one detailed poster, including both text and graphics)
- Option 3:** Article (answer the three above questions in your own words, include 6 photos minimum taken from Pexels or Google Images>Tools>Labeled for Reuse, also include references or works cited crediting where you took the photos from)

Submitting: Your response is due Wednesday, September 21st, 2022 and your assignment must be uploaded to your Edublogs account and the link to the assignment should be submitted on your COL Teams site.

We expect that the tone of this assignment will be considerate and respectful, and use language that is inclusive, appropriate, and appealing to the Riverside community. Your response will be reviewed and if there are concerns or questions with your response you may be contacted by Mr. Barazzuol or Mr. Robinson who are the COL teachers. If there is any evidence of plagiarism, your response will be considered incomplete and you will have to redo your assignment.

Feedback will be left on your Edublog post and on the Teams assignment. We will use the rubric below:

	Missing - 0	Emerging – 1-2	Developing - 3	Proficient – 4	Extending - 5
MESSAGE AND MEDIA <i>(What is your conclusion and how did you show it?)</i>	Missing.	Message shows no or little understanding of your digital footprint. No media was included in your post.	Message shows an understanding of your digital footprint but information was minimal. The media is minimal as well.	Message shows a good understanding of your digital footprint. Media works well with your message but the two could complement each other better.	Message clearly demonstrates fully your understanding of your digital footprint; media and message blend together seamlessly and shows a personal connection to the activity.
ANALYZE <i>(Did you find key information to support your message?)</i>	Missing.	Information given does not support the message that you are trying to present.	Information present but is minimal and does not fully support your message; pictures not share friendly	Good information present; answers are typical and accurate; some picture references from share-friendly sites	Excellent information. All your answers are insightful and pictures/sources are referenced from share friendly sites.
AUDIENCE <i>(What do other people think about your presentation?)</i>	Missing.	The final product poorly communicates and should not be shared to the outside world.	The final product minimally engages the audience but communication is muddled by incomplete thoughts or poor editing	The final product is received by the audience but does not elicit a further response to be shared with the outside world; simple comments.	The final product is well received by the audience in the outside world and inspires further discussion as evidenced by detailed comments.
