What significant contributions to the social and cultural development of the school and community have you made? What are your scholastic achievem	

^{*}For clarification of the selection criteria, the terms "social" and "cultural" are to be considered in the broadest terms and should cover the range of student activity, leadership and creativity so as to not discount any student. Student participation in music, drama, athletics, government and clubs, as well as participation in his/her community, are to be considered as important and vital to the selection of Merit Award Winner(s) as a scholastic achievement.
