

CODE YOUR FUTURE DESIGN YOUR WORLD

- Team up with friends to find a **real problem** you want to solve
- Learn how to **design and develop** an app or AI prototype that solves the problem
- Learn how to **start a business** & pitch your ideas
- Connect and **get advice** from industry mentors.
- Attend exclusive **events & workshops**.
- Submit your project for a chance to **win a scholarship** in a global competition
- Receive post-secondary course credits.
