# Schedules for Next Year & Grad Information

## **Grade 12 Marks and Post-Secondary Admissions**

The Ministry sends official copies of student's final marks in July to post-secondary institutions, in order to complete the admissions process. The Ministry can send marks information only if a student has given them permission to do so. Students are required to complete the "Student Transcripts Service" on-line on the Ministry website. Many students have done this already in early spring. For those who have not, counsellors can provide instructions to students and parents, but instructions are also available on the Career Centre web site. **Students must make sure that they have completed this process prior to June 30<sup>th</sup>.** Only students applying for a September 2022 entry need to complete the on-line STS form.

## **After Graduation**

Your Dogwood (Graduation) Certificate will be sent directly to the school during the first week of August. Dogwoods and transcripts are issued in your "legal" name by the Ministry. You will receive an email from the school when they are ready to be picked up – the school office is open throughout the summer. We **DO NOT** mail these out to you.

Transcripts: one copy is mailed to the school for retention with your records, and one directly from the Ministry of Education to your home. You should keep your official copy for yourself; do not give it to any post-secondary institutions you are applying to, instead have them make a photocopy of it. As well, the school will be able to provide an official copy on your request.

It is very important that your mailing address, contact, and phone information is up-to-date at school not only while attending but also afterwards so that documents can be mailed to the correct address. Please check your MyEd Portal to confirm that we have the correct information. If changes are necessary, please email [lcocoran@sd43.bc.ca](mailto:lcocoran@sd43.bc.ca) or see Mrs. Corcoran in the office. It is particularly important for International Students and any students leaving the country or province to leave a forwarding address with the school office and/or International Education.

# Sports

## **Boys Rugby**

A tough loss against Terry Fox at the Fraser North AAA Finals this past weekend. However, what an amazing season they had – having started with no knowledge of rugby just 5 months ago, then placing 2<sup>nd</sup> in the Fraser North. Congratulations on their fantastic season!

## **Mountain Bikers**

On May 26<sup>th</sup> Seven mountain bikers from Riverside headed to Victoria to compete in the BC High School Sports Mountain Bike Racing Provincials, in Langford at the brand new Jordie Lunn Bike Park. 387 athletes from all over the province came to compete in this event, which consisted of a Cross-Country (XC) race in the morning and then the Enduro (3 stage) event in the afternoon. The energy and excitement were evident in the smiles and new friends being made. Riverside earned its first provincial medal, as Maki Koci, a Grade 12 student, came 2<sup>nd</sup> in the Enduro event. Grade 9 student, Kirra Whitehead, came 4<sup>th</sup> in the Enduro race, following only one second behind the 3<sup>rd</sup> place finisher! All of the finishers should feel proud of their hard work this season. Congratulation to everyone who participated!

## Badminton

Congratulations to Cleon Liu who earned a silver medal in the first ever Fraser North Championships! What an incredible run representing Riverside!

Pictured along with our silver medalist is former Riverside Fraser Valley Badminton Champion Clarence Liu (Cleon's brother) in pink, his parents, 4 sponsor teachers and Sharon Lotter.

## Boys Hockey

Rapids win the Championship! Congratulations to the team and coaching staff. They defeated Magie/Point Grey in a Shootout, Hat Trick from Adam Attar in regulation, Shootout goals by Grady Minor and Braden Delesoy, with incredible goaltending by Grade 9 student, Jordan Delesoy. Every player worked/skated so hard and played such solid team game, their level of compete was incredible. In the Final, they had a very small bench – 3 Defence, 5 Forwards, great leadership from Grade 12 students, Noah Jette and Grady Minor.

## Tennis

Congratulations to our tennis team at the BC High School Provincials this past weekend in Victoria. Although, we came up short losing by two sets, clinching 9<sup>th</sup> spot at the tournament, there were some very close games and intense moments within these matches. This was the first time a Provincial was held on the island since 1998 and the first of its kind for the Riverside Tennis Team to travel outside of the Lower Mainland and compete with other top schools in the province. It was such a great experience staying on the campus of UVIC and creating long-lasting memories of being together as a team.

## Beach Volleyball Provincial Championship

This past weekend Riverside dominated Kits Beach! Marcella Mahon and Jayden Armstrong won the High School Beach Provincial Championships, as did Adam Shyng and Matej Mladenovic. Huge Congrats to these amazing athletes!

## Shout Outs

### **Youth Philanthropy Initiative (YPI)**

Congratulations to the deserving winners of the YPI competition in the English-speaking Career Life Education classes this semester

Ella Maxwell ~ Danica Knapfl ~ Evelyn Sung

These Grade 10 students in Ms. Roberge's class researched, prepared, and presented a polished and convincing project to amplify the work of Mission Possible, a grassroots charity on Vancouver's Downtown Eastside. Their efforts were worthwhile since Mission Possible will benefit from a \$2,500 donation – the competition prize! Congratulations Ella, Danica and Evelyn!

Even though there could only be one group winner, many students had the opportunity with this project to work collaboratively on a presentation about a local charitable organization, learning more about the challenging social and financial inequities in our society.

### **ImmersionClip Video Contest**

Congratulations to the following winners of this Canada-wide contest as they beat out several hundred other applications, from Grades 9-12.

1<sup>st</sup> Place – Meha Muralidharan Watch the winning [video](#) submission

2<sup>nd</sup> Place – Agam Bokovza Mariash Watch the winning [video](#) submission

Both Grade 9 students won scholarships worth \$12,000 and \$8,000, respectively!

### **Golf**

A special thank you to the Golden Eagle Golf Course in Pitt Meadows and True Linkswear for their support in hosting the Coquitlam Secondary School Athletic Association Championships this past May, where 83 golfers competed for Junior and Senior Team Championships. The junior team finished 4<sup>th</sup> in their division and the senior team finished 7<sup>th</sup>. The low score from a Riverside player came from grade 11, Gabriel Macey.

## BC Girls Hockey Club

The Fraser Valley Rush was awarded second place at the national 2022 Esso Cup this past weekend in Alberta, despite a valiant effort to try to claim BC its first-ever U18AAA girls hockey title. Amongst the BC team, was our very own Gillian Lapierre, who recorded a team high of four assists and added one goal in the Fraser Valley's third game of the tourney for a total of five points in seven matches.

## Community

### **District Fundraisers**

Big thanks to all who supported the Pink Shirt campaign this year and our SD43 golf tournament. Our School District's golf tournament raised \$41,000 for Tri Cities Kidsport and out of that total, \$15,000 came from the Pink Shirt campaign. This total of \$41,000 covers over 100 students' registration fees for playing either school or community sports in our District.

### **Volunteer Opportunity**

The 2022 Caribbean Days Festival is coming to Coquitlam Town Centre Park this summer from July 22-24. Student volunteers are needed. This is a perfect opportunity for students to earn volunteer hours through a fun and festive event. Sign up to volunteer online at: <https://www.caribbeandays.ca/volunteering/> If you need more information, see Mr. Giles in the office.

### **Summer School Courses**

Summer school registration has been open since mid-May. It is important that students register for their summer school classes as soon as possible. Some courses are filling up. Summer school information can be found at [www.sd43.bc.ca](http://www.sd43.bc.ca).

### **SD43 Summer Learning**

The school district's Summer Learning program offers free\* courses to secondary school students. [Click here to register today!](#) There are three week "Skill Building" classes and six week full credit classes. There is still space in the following classes:
