A message from Riverside Admin:

This has been a busy time at Riverside over the past month. All of our programs, both curricular and extracurricular, are in full swing. It's exciting to watch all the athletics events at Gates Park and around the city as our teams play against other schools. Even though we are not quite out of the pandemic, it's awesome to see the students so involved.

Very important changes are happening in some of our programs. There is a change in Graduation requirements that will affect current Grade 10's and 9's. The Ministry of Education has included the requirement for 4 credits of coursework with an indigenous focus. We are making the adjustments and will be communicating to all members of our community in the week of May 9th with all the details.

Our Parent Advisory Committee is about to hold elections for next year's executive. Attending the PAC and being on the executive includes a once-a-month meeting (7pm) and is a great way to stay fully connected to the goings on in the school, and to be able to manage the substantial casino grant that the PAC receives each year. We highly encourage you to attend the next meeting on May 19 in the school library and consider running for (or sharing) one of the executive roles. Thank you for your consideration.

We are fast approaching a very busy time in the calendar. Please peruse the rest of this newsletter to get information on all the upcoming important events. As always, it's also helpful to keep track of our DAILY bulletin, called the Rapid Read, which is on our homepage of the Riverside website.

Thank you!

Riverside PAC Elections Notice 2022-2023

On Thursday, May 19, 2022 at 7:00 p.m. we will be holding our PAC AGM and Elections in the library at Riverside.

We would love for you to join us!

The PAC at Riverside Secondary is a wonderful organization that promotes communication between the school, the staff, and the district; it helps build a sense of community in our school and surrounding area; it raises and allocates funds for our students and school; and offers parent concerns and recommendations regarding different aspects of our children's education. As a PAC we give an average of **\$25,000** per year to the school for various extra-curricular items including funding for clubs, guest speakers, competitions, emergency prep equipment, bursaries and so much more. Most of this money comes from the B.C. Community Gaming Grants allocated to our school. **Have a say in how these funds are spent for the next school year!**

Each year, at this time, we accept nominations for our PAC Executive and several committees, for next year's activities. Please consider the list of these and other PAC positions below to see if you might be interested in getting involved and being nominated. All positions are open to any parent in the school. If you don't feel you have enough time to give to a PAC position, we would still love to see you at the meeting to give ideas and help us with decision making. Everyone is welcome!

To register to attend the AGM, or to submit your nomination information, or if you have any questions or comments please email Rayne Johnson at ecoleriversidepac@gmail.com

PAC Executive Positions:

President – convenes and presides at all meetings; oversees activities by PAC Executive and coordinators; liaises with Riverside Secondary School administration and staff.

Vice President – takes over for the President if he/she is unable to fulfill commitments and aids the President when asked.

Treasurer – is responsible for and reports monthly on the accounts of the PAC.

Secretary – records and distributes minutes from PAC meetings.

District Parent Advisory Council Representative (DPAC Rep) - attends monthly DPAC meetings (usually last Wednesday of the month) and reports info back to the PAC. DPAC agendas, meeting minutes and educational materials can be viewed on the DPAC website. This is a very important position that keeps the PAC informed on bigger, broader changes to our education system.

Coordinators/Committees:

After Grad Committee Chairperson – responsible for reporting to the PAC at each general meeting. This position is chosen at the first After Grad meeting of each school year (usually in September).

Staff Appreciation Luncheon Coordinator – plans and runs the event in June.

Canadian Parents for French (CPF) Representative – Attends CPF meetings and reports back to the PAC.

Please join our meeting and vote on Thursday, May 19th, 2022!

In the Library, 7pm

Provincial Assessments Update

As part of the graduation requirements, students in the B.C. Graduation Program will complete three provincial assessments. These assessments focus on the demonstration and application of **numeracy** and **literacy**.

Students recently wrote close to 900 assessments during three days with minimal interruption to our class schedule during the week of April 25th. There is another round of assessments scheduled the week of June 13th, but this will not affect the regular classroom schedule. During that week, we will be pulling out students to complete the assessments that missed the April dates. Due to the impact of the pandemic the Ministry of Education has decided to postpone the implementation of the Évaluation de littératie de la 12^e année until the 2022-2023 school year.

For helpful information to prepare for the Numeracy 10 assessment visit <https://curriculum.gov.bc.ca/provincial/grade-10-numeracy-assessment>

Reminders for all parents who drive their child to school:

Pick-up times are highly congested. Please do not stop in the left lane of our drop off driveway in front of the school.

Drive slowly after dropping off your child in the morning - there are people using the marked crossings.

Be extra careful using the traffic circle. Traffic on Reeve Street **does not** have right-of-way - the traffic rules are in effect. We sometimes show the newer drivers this site: <https://www.icbc.com/road-safety/driving-tips/Pages/How-to-use-roundabout.aspx>

Events

Language Classes

We are happy to announce that the *Creperie Le Bohême* was back at Riverside for the Language classes on Tuesday, May 3rd. Students used their practical language skills to order a variety of crepes in Spanish, French and Italian from the multi-lingual owners of the popular food truck. Bon Appetit!

Red Dress Day

Red Dress Day on May 5th. Red Dress Day is a day to honour, remember, and bring awareness to the Murdered and Missing Indigenous Women and Girls. English First Peoples 12, the Anti-Racism Club, and Social Justice 12 created the art installation to bring awareness to this issue by hanging red dresses along Reeve Street with images of the different women. Students from EFP 12 wore pins to encourage conversation among their peers about what Red Dress Day is all about, and Ms. Tate's class and many other students engaged in an honouring ceremony to start the day.

Empowering You – Building Resiliency Workshop

Starts April 4th - June 6th

Empowering YOU is a **FREE** 10-week program that provides mental health education to help youth develop skills that enable them to cope with challenges in life.
