## MUSICAL THEATRE SHOW

Louisa May Alcott's evergreen novel "Little Women" was first published in 1868 in Boston, sold an estimated 10 million copies worldwide, and was translated into over 40 languages over many generations. It is a powerful story that continues to resonate, asserting that women can be heroes of their own stories. The original book spawned two sequels, stage plays, films, TV adaptations, an opera and... a Broadway musical!

The talented Musical Theatre cast and dedicated Performing Arts Leadership crew can't wait to welcome you to our beautiful show in early 2023.

Filled with personal discovery, heartache, hope and love, the original production starred the unparalleled Sutton Foster and the show follows the adventures of the March sisters over 4 years during America's civil war. We are committed to keeping this iconic literary piece alive by pushing it into the present, and into the future.

River's Edge Theatre, at Riverside Secondary, presents "Little Women: The Musical"

## G23 AFTER-GRAD FUNDRAISING

### **January to April Fundraising**

Coming in January is our next AfterGrad meeting for Fundraising purposes January to April. The date is yet to be determined so stay tuned.

So far, our fundraisers like Winter Market have been organized by different sets of parents, with the school providing the underlying organization. For the Winter/Spring fundraisers, we need AfterGrad Fundraising to operate through PAC, as it will involve things that the school doesn't usually directly sponsor. The funds will all still end up paying for the same thing, which is the event itself. So.... when you receive the email to volunteer for one of the fundraisers, please select one and help out.

One of the most important jobs will be the 'financial verification person'... someone who can ensure that each fundraiser has accounting practices appropriately set up for PAC purposes.

The AfterGrad event planning is already well underway and is being completely handled by the school in these early stages.

### **Purdy's Chocolate**

It's that time of year again... Support G23 and buy your Purdy's chocolate (milk/dark) bar for only \$2 in Room 124.

## **GRADUATION**

### **Valedictorian**

Students who are interested in valedictorian have to have Honour Roll status and be in good behavioural standing. All candidates should enjoy public speaking. They should be able to bring the grad class together by sharing their unity and achievements, and not just focusing on the obvious. They should also be interested in not just talking about how life has been to this point, but also in adding perspective in guiding everyone forward into thinking about their future after high school. I always tell them they need to make the audience laugh and make the audience cry through the power of their words.

### **Valedictorian Selection Process**

Students interested in being a valedictorian should indicate their interest to a teacher that they trust to nominate them for the valedictorian process. Teachers will put forward students who have expressed an interest in being a valedictorian as well. Students must have Honour Roll status and are in good behavioural standing. They also must be a positive role model in the eyes of their peers and teachers. Once those student' names are put forward, a committee of teachers will evaluate all the candidates to ensure that they meet the criteria. All candidates will then meet with the Vice Principal and the Sponsor Teacher to ensure that they are aware of the expectations of being selected as the valedictorian and salutatorian. Students will then commit to either proceeding or not the next day after the meeting. If they do not check in, then it will be assumed that they are not interested in being the valedictorian.

If a student expresses interest in being a valedictorian, then the student will create a profile that highlights their 4 or 5 best achievements at Riverside Secondary. Depending on the level of interest, a committee of English department teachers will then rank the candidates based on the profiles shown. Only the top 10, will be able to create a video that would be performed live in front of their peers. This is done for potential candidates to try to convince the Grade 12 class that they should be the valedictorian.

## Valedictorian Selection Process – cont.

Students will vote on their valedictorian and salutatorian. The top student based on votes will be voted as the valedictorian and the student with the second highest number of votes will be the salutatorian at the commencement ceremony and will also give a speech at the Grad Dinner Dance. Every two weeks, the two will check in with the sponsor teachers who will mentor them in terms of crafting their speech. They must present a copy of their speech to the sponsor teacher and the vice principal. This speech is the one that they will present at the Grad Dinner Dance or commencement. This selection process will start in March. The video profile will take place at the end of April and will be part of the valedictorian candidate's introduction at the live performance. The vote for valedictorian will take place during the second week of May. **Please refer to the Grade 12 calendar for specific valedictorian deadline dates.**

**Grade 12's - are you the next valedictorian or salutatorian?** If interested, please attend the Nominee meeting in Portable 1 at lunch on March 28<sup>st</sup>, 2023. Forms are due April 6<sup>th</sup> to Mr. Barrington in Portable 1.
