September 19th

PAC Meeting – 7:00 p.m. (Library)

September 22nd

Professional Development Day (District)

September 29th

Extended Advisory Schedule

Terry Fox Run

Welcome to the 2017-2018 school year!

It's hard to believe, but the beginning of the school year is just around the corner. As you are enjoying the last few weeks of the summer vacation, we want to take this opportunity to welcome everyone back to Riverside for what promises to be another exciting school year.

On behalf of the staff at Riverside, I'd like to welcome all our new families to the Riverside community! We hope you will enjoy your time with us and I encourage you to visit the school and get to know us. If we can be of assistance at any time, please feel free to call or email us and we'll be very pleased to help. Please also check out our school website at <http://www.sd43.bc.ca/secondary/riverside/Pages/default.aspx>; it's an excellent source of information about our school.

I wanted to take a moment to welcome or welcome back from recall the following staff:

Mrs. Buteau, Mr. Giles, Mr. Ford, Ms. Joon, Mr. Ruditsch, Mr. Rosse, Mr. Purdy, Ms. Young, Ms. Lo, Ms. Ghanem, Mr. Bale, Ms. Kim, Ms. Lunoch, Mr. Flynn, Ms. Wantke, Ms. Heer, Mrs. Brochu, Ms. Ostrozhynska, Ms. Liyanage, Ms. Fedje, Mrs. Hargrave

Some interesting information about Riverside:

Riverside prides itself on its sense of community and culture of innovation. For the past five years, we have been working on two key areas to further develop in our school. Firstly, we continue to lead in the area of technology, particularly with respect to our 1:1 technology learning environment for all students and ensuring that our learners are fluent in the areas of creativity, collaboration, problem solving, information gathering, and media. Secondly, we continue to develop a caring and compassionate community, focusing on the areas of relationships, culture, and sense of belonging. We are committed to keeping our focus on improving learning for all our students in all areas of our school and will continue to work hard to ensure that each and every one of our students is as successful as they can be at Riverside.

- Did you know that over the past five years, our school has had an average graduation rate of 96%?
- Did you know that each year, Riverside students win close to one million dollars in scholarships to post-secondary institutions all over the world?
- Did you know that in a recent safe school surveys, 96% of students at Riverside reported feeling safe at school?

We're proud of these numbers and even more proud of our students. We also know that these kind of sustained results can't just happen by chance. The Riverside staff is a group of dedicated and caring teaching and support personnel who are ready to work alongside you, the parents, to help your child be as successful as possible during his or her stay at Riverside. We're proud of our school and hope you will be too.

Included in this newsletter are a number of important notices providing details about school start-up and opening week procedures. In particular, students are often very anxious about their timetables; please remind your daughters/sons that their timetables will be distributed on the first day of classes (Tuesday, September 5th). *Grade 9 students will receive their timetables at the Grade 9 Preview Day on Thursday, August 31st.*

We hope that you will consider being involved with our **Riverside Parent Advisory Council (PAC)**, which will hold its first meeting on **September 19th at 7 p.m.** and our **After-Grad Committee**, (the first meeting will be held **September 12th at 7:00 p.m.**). Both groups meet in the school library. Parent involvement at the secondary level is as important as ever and we encourage all parents to participate in these opportunities.

I look forward to meeting our new **Grade 9's at the Preview Day on Thursday, August 31st at 9:00 a.m.** I am hopeful that all Grade 9 students will be able to attend this event where they will get a chance to find their locker, receive their timetables and go to their first semester classrooms. This is a great way for incoming students to get to know a bit about their school in a relaxed and informal setting before the first formal day of classes. Students who are unable to attend this day will receive their schedules on Tuesday, September 5th.

Finally, I hope you enjoy the rest of your summer, and I look forward to seeing you at the many school events throughout the year. Please feel free to call, e-mail or drop by with any questions, ideas or concerns.

Anthony Ciolfitto, Principal

aciolfitto@sd43.bc.ca

 Period 5.....1:50-3:00

NEW REGISTRATIONS

Counsellors will be available for new registrations only during August 29th – September 1st.

New students can call any time during the summer to make an appointment. When registering a new student, parents are asked to bring all available school records including the latest report card. Proof of present address, birth certificate and immigration papers are required.

STUDENT FEES – Due by September 8th, 2017

Uncomfortable sending your child to school with a cheque or cash to pay their student fees? Worried that you never received a receipt for the money you gave your child to pay their fees? Worry no more!

All fees, including yearbook, activity fees, cap and gown, will be collected on-line. To pay, please click on "[fee payment](#)" or visit our web-site and click on the button that says "student fees". In three simple steps, you will have created an account and be able to use this account to pay for field trips or others other fees that may come up during the school year. The great thing is that once you've created an account, you can use the same account to pay fees for all your children if you have others attending schools in the Coquitlam School District.

Please note that we will no longer be collecting fees during RAP in the first week of school.

If a parent is not able to pay their child's fees on-line, you may come into the office to make payment with our accounting clerk via cash or cheque. If paying by cheque, please make it payable to Riverside Secondary school.

The \$45.00 activity fee is consistent with all secondary schools in this district. This fee covers the cost of locks, guest speakers at the school, special events and activities, as well as some field trips and transportation costs. Please note that the yearbook is an optional cost. Some courses also have optional fees for workbooks. Our school makes bulk purchases so they are at a discount rate from retail.

NOTE: If any family has difficulty with some or all fees payable, contact your child's vice principal and the fees can be delayed, adjusted, or waived. Your child will receive a fee invoice on the first day of school.

For further inquiries call the School Cash Online Support Line # 1-866-961-1803

YEARBOOKS (OPTIONAL PURCHASE)

Payment due date for Yearbooks is October 31st, 2017. All school fees must be paid before ordering a yearbook. If payment is not received by October 31st, 2017, it will be assumed that you do not wish to purchase a yearbook. A limited number of yearbooks may be available at the end of the school year on a first come, first served basis, at an increased price which reflects costs to the school.

OPTIONAL WORKBOOK PURCHASE

In some courses, workbooks are used to supplement the traditional textbooks. All students will be provided with a workbook free of charge for the duration of the course, *however it is expected that students will return the workbook at the end of the course, undamaged and not written in.* Students who choose to write in school-owned books will be charged the full price of the workbook at the end of the course.

Students may wish to purchase their own copy of the workbook so they can write directly in the workbook and keep it at the end of the course. This is completely optional. Students who wish to purchase their own copy of the workbook may do so by purchasing them through our on-line service or our accounting clerk in the office.

SCHOOL PHOTOS – FRIDAY, SEPTEMBER 8th

Photos will be taken from 9:00–11:40 a.m. on Friday, September 8th. All students are asked to have their photo taken for GO Cards and the yearbook, even if they are not purchasing a photo package.

GO-CARD INFORMATION

RE: Changes to GoCard discount for students effective September 1, 2016.

As you may be aware, TransLink offers discounted transit fares to high school students across Metro Vancouver. Each year, over 120,000 secondary students are eligible to use concession fare products on TransLink's network, so long as they are travelling with valid student identification with a GoCard decal from their school as proof of eligibility.

Effective September 1, 2016, a GoCard decal will no longer be required on student IDs and all youth 14 to 18 years old will be eligible for concession fares with valid photo identification. Acceptable ID will include:

- a valid school identification card issued by any secondary school which displays the student's photograph, name, school and validation by a school official; or
- a picture identification issued by any national, provincial or state government agency showing age or date of birth.

Should you have any questions about this change, please contact our TravelSmart team at info@travelsmart.ca. We look forward to continuing to provide Metro Vancouver students with access to concession rate fares on our integrated transit network.

Sincerely,
Delena Paulson
Manager, Revenue Programs, TransLink

SCHOOLING IS A PARTNERSHIP

Riverside Secondary School staff work hard to provide a safe, caring environment. Working as partners we make a powerful impact on the positive learning environment. Please review the following school routines with your son or daughter.

1. **Harassment, Drugs, Alcohol and Weapons**
At Riverside Secondary School we have zero tolerance for name-calling, teasing or harassment. We urge students to report such incidents to a trusted administrator or staff member so that we can ensure the inappropriate behaviour stops. Students involved with drugs, alcohol or weapons at school, during school related events, or travelling to or from school will face disciplinary action.
2. **Smoking:** In accordance with Board Policy, smoking (including the use of E-cigarettes) is not permitted in the school or on school grounds. This includes the sidewalk in front of the school, on both sides of Reeve Street, in the parking lot, and in cars parked in the lots. This also includes the alleyways across from the school. Students are expected to respect the private property of our neighbours. Additionally, due to concerns around the explosion of e-cigarettes/vaps, students are not to be in possession of these devices while at school.
3. **Litter:** It is the responsibility of everyone in the school to keep our building and grounds clean. Students are expected to put all litter in the proper containers and recycle cans and juice containers. We expect students to follow this practice, while travelling to and from school, as well.
4. **Parking:** Student parking is restricted to the North Lot near Gates Park. Student vehicles must be registered with the office. There is no charge for student parking. Cars found parked in the Main or South lots risk being towed. We ask that students not loiter in the student parking lot during the day.
5. **Internet Use:** Passwords are available upon the signed return of the school's Internet Use Policy,
6. **Cyber-Bullying:** Students who engage in bullying, harassment or other negative behaviours by electronic means either at school or away from the school should be aware that school and district policies will be enforced if these actions impact the environment of our school.

COMMUNICATION WITH TEACHING STAFF, ADMINISTRATION AND COUNSELLORS

Please contact all teaching staff at Riverside by email and administration by email or telephone a voice message system is not available. Counsellors are available by email, telephone and voice message.

ATTENDANCE AND REPORTING STUDENT ABSENCES

Students are expected to attend all classes on time.

- We ask that parents take an active role in assisting us in monitoring student attendance. Please contact the school as soon as possible whenever your son/daughter is going to be late or absent from school.
- You can report absences any of the following ways by providing your child's name **AND STUDENT NUMBER** and/or time he or she will be absent from school and the reason for the absence.
- Go to our website and click the [Absence Report](#).
- Call 604-941-6053 between 7:30 and 4:00 to speak directly to an office staff member.
- We ask staff to make contact with home regarding repeated lates and absenteeism. Please expect their phone calls.
- We have an auto-dialer system which calls/emails homes daily to verify unexcused absenteeism of all students.
- All students, if leaving early, must check out at the office with parent permission.

WHO DO I CALL IF I AM CONCERNED ABOUT MY CHILD'S ACADEMIC OR SOCIAL PROGRESS?

If you have a concern about a particular class, please contact the teacher of that class. If you have more general concerns about your child's progress, or have concerns about several subject areas, please contact your child's counsellor who can help coordinate contact with teachers and assist with building a plan to help your child be more successful at school. Counselling assignments for the 2016-17 school year will be:

A - Fe	Mr. Ahmelich	M - Sc	Ms. Luddu
Fi - L	Ms. Chittenden	Se - Z	Ms. Johal

**Please note that the great majority of our staff rely on email rather than voicemail for communication. If you would like a staff member to contact you by phone, it is usually more efficient to email that staff member and request that they call you at a specific phone number. You can also call the switchboard and the receptionist will email the staff member to request that they call you.

WHO DO I CALL IF I HAVE AN ISSUE TO BE RESOLVED?

If you have a concern about the way an issue has been handled with your child, please contact the teacher involved directly. If you are not satisfied with the outcome of the contact, it is then appropriate to contact the Vice-Principal or the Principal (or the Assistant Superintendent if the issue involved the Principal.) In almost all cases, the problem is resolved after the first contact. Failing a resolution, however, protocol then involves contact with the Superintendent, followed by a member of the Board of School Trustees.

RIVERSIDE NEWSLETTERS

School newsletters will be sent home electronically during the first week of each month. If, for some reason, you don't receive the newsletter via email, please go to our website where our newsletter will be posted every month. If you are aware of a parent who does not have internet access, please let them know that we also do a small run of printed newsletters each month which are available for pick-up by parents or students from our main reception area in the office.

RIVERSIDE WEBSITE

Our website includes a community portal where parents and students have access to a broad range of information such as calendars, our daily bulletin, extracurricular activities and schedules and much more. You can access our web-site at <http://www.sd43.bc.ca/School/riverside/>

RIVERSIDE PARENTS ADVISORY COUNCIL

The Riverside PAC meets once per month, usually on the third Tuesday at 7:00 p.m. in the school library. Our PAC executive and the school administration welcome the involvement of all Riverside parents and encourage you to come to our first meeting on September 19th.

RIVERSIDE PARENTS AFTER-GRAD COMMITTEE

Riverside Secondary prides itself on the after-grad event it provides for its graduating students every June. The Riverside After-grad Committee meets once per month, usually on the second Tuesday at 7:00 pm. in the school library. Our After-grad Committee is traditionally made up of parents from grades nine through twelve and all parents are welcome

to join this group. Our first meeting is on Tuesday, September 12th. Please come and join us and find out what we're about!

REPORT CARDS AND PARENT-TEACHER CONFERENCES

Students in linear (full year) courses will receive one interim, and four formal report cards this year. Students in semestered (half-year) courses will receive one interim and two formal reports per semester. Interim reports will include general information on work habits and progress but will not include letter grades. Please check the enclosed school calendar for dates of report card distribution. The interim and formal report cards will be distributed in RAP (**REPORT CARDS ARE NOT MAILED HOME DUE TO INCREASED COSTS**). Report card dates are advertised in the school's monthly bulletin, the student Agenda Book and the school website.

Parent-Teacher conferences occur once each semester. All parents are encouraged to attend these important conferences to discuss your child's progress and to work with the teacher to help your child be as successful as possible.

PROVINCIAL EXAMS

The Ministry of Education has recently changed the requirements for Provincial Exams. Students are no longer required to write English 10, Math 10, Science 10, Social Studies 11, and Science Humaines 11 exams. This will be the last year for students to write English 12, Communications 12, and Francais Langues 12 as grade 12 students will remain on the old graduation program. Students in grades 9-11 will be required to write a Numeracy Assessment and Literacy Assessment prior to graduation.

ADVISORY

The Riverside Advisory Program meets every Wednesday. The ultimate goal of this program is to help students connect with a teacher mentor and a small group of grade 9-12 students. We encourage and expect all students to attend RAP each week.

So that we can get to know our new students better, on Thursday, September 14th, your Advisory teacher will be interviewing all students new to Riverside. A schedule for this interview will be handed out on Wednesday, September 13th.

TUTORIALS

We encourage students who require assistance with work or assignments to seek help from their teachers immediately. Teachers offer support and it is important that students find out the times that teachers are available and use these to their advantage.

PEER TUTOR SUPPORT

The counsellors will be training peer tutors in September. Beginning in October, these tutors will be available to provide one-on-one help to students. As well, some peer tutors will be helping students in junior level math classes. Tutoring support can be arranged through your counsellor.

SCHOOL SUPPLIES

Please be advised that there is no required school supply list. Students are advised to bring pen, pencils, binders and lined paper. If required, any additional supplies will be requested by individual teachers.

STUDENT AGENDAS

Since Riverside is a digital school in which all students bring an electronic device to class, we strongly recommend that they use the calendar feature on their device to keep organized and manage the requirements of their coursework and extracurricular activities. Information about the code of conduct, school events, and the school can be found on our school web-site.

STUDENT INSURANCE

All parents have the option of purchasing Accident Insurance through IA Pacific. Insurance plans cover a variety of issues such as injury, eye wear damage and orthodontic/dental work. Please go to www.iapkidsplus.com for further information or drop by the school office to pick up a form.

SCHOOL AND DISTRICT POLICIES

Included in the student Agenda Book is a section on school routines and district policies. This section reviews the School and District Code of Conduct and policy related to violence, intimidation and possession of weapons. As well, it reviews school regulations related to the possession of drugs and alcohol and the suspension of students. [The School Code of Conduct and District policies](#) can also be found on the school website or students can read it in the Agenda book. Parents and students should review and complete all [forms](#) found on our web-site to assist us in supporting your child, particularly in case of [emergency](#).

RIVERSIDE CODE OF CONDUCT

I. INTRODUCTION

The purpose of this document is to provide a basic framework and common expectations for all schools. The guidelines reflect the new provincial standards for "Codes of Conduct", as stated below:

School boards and schools are entrusted through the School Act with authority to establish codes of conduct. While recognizing the autonomy of these bodies and acknowledging the efforts they have already undertaken to ensure school climates are as positive as possible, the provincial standards described below are provided to assist them in developing consistent and coherent policies and practices in their communities. Although most schools have codes of conduct in place, it is expected that all British Columbia schools will revisit existing codes and/or develop new codes of conduct reflecting the provincial standards.

II. CODE OF CONDUCT: KEY ELEMENTS

1. Process

All British Columbia schools include students, parents, and staff in the development and review of codes of conduct. At Riverside, school staff, the Parent Advisory Council, Student Government, and the School Planning Council have reviewed the current code of conduct to meet the Ministry requirement of page 15 of [A Guide for Safe, Caring and Orderly Schools](#).

2. Communication

Expectations regarding acceptable conduct are made known to all students, parents and school staff, as well as to temporary staff and visitors. Protocols, while acting as ambassadors of the school, are also made known to students, parents, coaches, and involved members of the greater community.

Student conduct is regularly reviewed with students at assemblies, through advisory, and in regular school classes. The school and District Codes of Conduct will be reviewed during the first week of school in RAP and also posted on the school's website. Codes of Conduct are also provided to employees of the Board who are assigned to the school during the school year when they are so assigned, and to students and parents when a student starts attending the school during the school year.

3. Implementation

"Behavioural expectations outlined in codes of conduct are consistently taught and actively promoted. Responses to unacceptable behaviour are based consistently on sound principles and are appropriate to the context."

Examples of implementation strategies that teach, model, and encourage socially responsible behaviours for students include weekly Advisory classes (RAP), special presentations for students, grade level assemblies, and explicit teaching whenever possible. Staff also participates in discussion around aspects of the code of conduct in staff meeting discussions, presentations and in information sessions for teachers and support staff. Special consideration is given to aligning our code of conduct with the five key aspects of Riverside's focus on fostering a "Caring and Compassionate Community." These key aspects include fostering: relationships, care for self, others, and the community, positive school culture, compassion, and sense of belonging. The Riverside staff is engaged in on-going professional development and discussion around our five aspects of a "Caring and Compassionate Community," and this work supports the way in which we seek to better understand and support our students.

Parents are given the opportunity to be involved in the implementation process during presentations at SPC and PAC meetings, and we often refer to the Code of Conduct during parent conversations where we ask for their support in reinforcing the code at home.

4. Monitoring and Review

"Conduct is continuously monitored to ensure codes reflect current and emerging situations and are contributing to school safety."

"Codes of conduct are reviewed and improved in light of evidence gathered and/or relevant research, and are revisited as part of a regular cycle of policy review."

Each spring, a formal review process with school partner groups is completed. This process includes formal and informal consultations with students, staff, and parents, reviewing office referral and suspension data, and reviewing Provincial standards in order to track trends and identify areas requiring further development.

5. Alignment

Riverside's Code of Conduct is compatible between schools in the community and across elementary, middle, and secondary levels. Codes of conduct are shared between administrators and at South Side Family of Schools meetings.

6. Standards

Riverside Secondary School promotes the values expressed in the BC Human Rights Code respecting the rights of all individuals in accordance with the law prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, physical or mental disability, sex, or sexual orientation - in service and facility in the school environment (Ministry Order 6a).

a) Statement of Purpose

- To establish and maintain a safe, caring and orderly environment for purposeful learning
- To establish and maintain appropriate balances among individual and collective rights, freedoms, and responsibilities
- To clarify and publish expectations for student behaviour while at school, while going to and from school, and while attending any school function or activity at any location

b) Conduct Expectations

These expectations apply to behaviour at school, during school-organized or sponsored activities, and behaviour beyond these times (including on-line behaviour) that negatively impacts the safe, caring or orderly environment of the school, and/or student learning.

Acceptable conduct

Students at Riverside are expected to:

- students shall not discriminate against others on the basis of the race, colour, ancestry, place of origin, marital status, family status, age, religion, sex or sexual orientation, or physical or mental disability, or for any other reason set out in the Human Rights Code of British Columbia (Section 7 and 8), nor shall a student publish or display anything that would indicate an intention to discriminate against another, or expose them to contempt or ridicule, on the basis of any such grounds students may be subject to discipline under the school and/or District Code of Conduct for any conduct which has the effect of negatively impacting the school environment, whether that conduct occurs on or off School District property, at a school sponsored function or activity, or otherwise.

Personal Responsibility

- Respect self, others and the school
- Help to make the school a safe, caring and orderly place
- Inform a "tellable" adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment, or intimidation.
- Contribute to a safe environment by keeping oneself and others out of harm's way
- Arrive on time prepared to learn
- Identify, describe, and follow class, school, and district expectations
- Work independently and as a member of a group
- Demonstrate positive problem solving skills related to personal issues
- Make appropriate choices with respect to clothing; taking into account activities, messages, and function while at school

Relationships

- Model positive behaviour
- Cooperate with others
- Listen attentively
- Be inclusive
- Respect all members of the school community and promote diversity

School and Community Involvement

- Assist others in the school and community
- Maintain a clean physical environment
- Respect school and personal property
- Participate in school and community activities
- Initiate projects that support the school and community

Unacceptable conduct

The following behaviors are deemed unacceptable; they are broad in nature and are not intended to be all inclusive

Behaviours that:

- interfere with the learning of self and others

- interfere with an orderly environment
- create unsafe conditions

Acts of:

- physical violence
- swearing and use of inappropriate language
- bullying, harassment, or intimidation
- duplicating, storing, or transferring pornographic materials
- retribution against a person who has reported incidents
- cyber bullying or transmitting or posting threatening, abusive, obscene or harassing material
- academic dishonesty

Illegal acts, such as:

- possession, use, or distribution of illegal or restricted substances, including, vapes/vaporizers, E-cigarettes
- gambling for money, goods, or services
- possession or use of weapons
- theft of or damage to property; including willful vandalism, graffiti, malicious and destructive acts, inclusive to grad pranks (which may result in suspension and/or loss of privileges such as the ability to attend the commencement and/or the grad dinner/dance).

Rising expectations

- As students become older, more mature, and move through successive grades it is expected that they will show increasing personal responsibility and self-discipline
- There will be a system of increasing consequences for inappropriate behaviour as students' progress in grade level.

Consequences

- Students may be subject to discipline under the school and/or District Code of Conduct for any conduct which has the effect of negatively impacting the school environment, whether that conduct occurs on or off School District property, at a school sponsored function or activity, or otherwise
- Those in authority (adult supervisors, teachers, and administration) will consider the severity and frequency of unacceptable conduct in determining disciplinary action
- Disciplinary action will focus on corrective rather than on punitive measures
- Students, as often as possible, will be encouraged to participate in the development of meaningful consequences for violations of the established Code of Conduct
- Special consideration may apply to the imposition of consequences on a student with special needs if the student is unable to comply with the Code of Conduct due to a disability of an intellectual, physical, sensory, emotional, or behavioural nature.

- All reasonable steps will be taken to prevent retaliation by a person against a student who has made a complaint of a breach of a code of conduct.

Consequences could include (this is not meant to be an all-inclusive list):

- school or community counselling
- conflict resolution meetings
- restorative action
- informal suspensions (at school or home)
- school / community service
- partial day school program
- behaviour plan
- formal suspensions (as per District Code of Conduct)

Notification:

School staff, depending on the severity and frequency of unacceptable conduct, may have a responsibility to advise other parties of serious breaches of the code of conduct:

- Parents of student offender(s) - in every instance
- Parents of student victim(s) - in every instance
- School district officials - as required by school district policy
- Police and/or other agencies - as required by law
- All parents - when deemed to be important to reassure members of the school community that school officials are aware of a serious situation or incident and are taking appropriate action to address it

GENERAL INFORMATION

- **Attendance** - Regular attendance is an attribute of academic success. Parents are asked to contact the school by telephone (604 941-6053) if students are expected to be absent or click on the `Absence Report` button on the school website (<http://www.sd43.bc.ca/secondary/riverside/Pages/default.aspx>). All students will be required to bring notes for any unexcused absences. Leaving school during the school day is strongly discouraged for safety reasons and the continuity of a positive learning environment.
- **Early Dismissal** - Notes are required for early dismissal. Students must check out through the office whenever they leave the building before their daily schedule has been completed.
- **Cars and Parking** - Students using the student parking lot must register their vehicles at the office. Student parking is available at the north end of the school property, adjacent to Gates Park. Students are expected to drive responsibly and park in designated areas only. Parking is not permitted in the drop-off area, the fire lane or the driving lanes. The front and south lots are for staff parking only. Cars parked improperly may be towed.
- **Hanging Out** – Students may gather with friends almost anywhere around the outside of the school except in student vehicles, the student and staff parking lots, the far side of Reeve Street and adjoining lanes, or in front of the townhouses on the side streets across from the school. It is important that we respect the privacy of our neighbours.
- **Smoking** – In keeping with School District Policy, smoking is not permitted inside the school or anywhere on the school grounds, including electronic cigarettes or vaporizers. Possession of these restricted devices is prohibited at school. Out of respect for our neighbours and visitors to the school, smoking is not permitted on either side of Reeve Street, in front of the school.
- **Visitors** - Occasionally friends from outside the local area may be visiting. Students wishing to bring a friend to school are asked to make a request through an administrator at least one day in advance of the visit. If the administrator approves, students must then check with the teachers whose classes the guest will be visiting, to

ensure the time is appropriate. Any person not in attendance at our school must check into the building at our reception desk.

- **Litter** – At Riverside Secondary we take pride in our environment. We ask students to put all garbage in the proper waste containers, not only at school, but while walking to and from school, as well. We also ask students to recycle pop and juice containers.
- **Academic Honesty** - At Riverside, we hold students accountable for developing good work habits and guide students from cheating and plagiarism to honesty and integrity. Students committing acts of plagiarism, cheating or similar acts of academic dishonesty will be subject to penalty. Consequences may include loss of honour roll / honour cord standing, suspension or other administrative action.
- **Withdrawing from Courses**
In exceptional circumstances, a grade 12 student may wish to drop a course. Course drops will be processed in consultation with parent, counsellor and administrator. Please note that dropping any course will make a student ineligible for Honour Roll should they be enrolled in less than 8 courses at Riverside.
- **Quiet Voices in the Hallways** – We ask students who choose to socialize during a spare block to do so quietly in the cafeteria. We expect that classes in session will not be disturbed by noise from the hallways. The library, when space permits, is available throughout the day for study purposes.
- **Student Dress** -
Riverside Secondary recognizes and encourages individuality among its student population. The dress code is not designed to stifle personal expression but is intended instead to be used as a guideline for students. The dress code is still quite flexible so it is very possible to make an expression through clothing while still maintaining appropriate school attire.

General: -No symbols, pictures, phrases, or logos, which promote substance abuse, racism, sexism, profanity, or simply bear obviously offensive material are allowed. (Note: this is not limited to clothing and is applicable to accessories or tattoos.)

Hats: -hats allowed in common areas of the school (excluding library) and in the classroom with teacher discretion.

Bottoms (pants, skirts, shorts):

- pants, skirts, shorts that are worn should reflect the professional learning environment in classrooms and that the school is a public institution. The following are inappropriate for a school setting:
- low-riding/low waist bottoms (pants, skirts, shorts)
- exposure of undergarments
- skirts and shorts that are excessively short (if your arms are by your side, they should not be shorter than the tips of your fingers)

Note: spandex shorts worn for school sports (i.e. volleyball) are permitted depending on the sense of occasion (e.g. practices, games, PE classes). However, they should not be worn during regular classes, with the exception of PE classes.

Tops: (shirts, halters, tube, etc)

- shirts and tops that are worn should reflect the professional learning environment in classrooms and that the school is a public institution.
- The following are inappropriate for a school setting:
- tops that expose excessive bare midriff
 - tops that are lower than the start of cleavage line
 - tops that expose the navel area
 - tops that are sheer enough to see through
 - tops with any explicit phrases, symbols as mentioned in the section above

N.B. Special events such as Halloween or School Dances are not exceptions to the guiding principles laid out in the preceding paragraphs. These expectations are in effect for all school functions.

MEDICATION

Prescription medication is dispensed at school only with the appropriate signed documentation. We are not allowed to dispense other medication at school. If students frequently require Tylenol, etc., for headaches, please ensure they have their own supply at school. Epipens, if needed, must be provided by the student.

PHONES

The office phones are extremely busy and are not available for student use, except in the case of an emergency.

EAL/INTERNATIONAL TESTING

All EAL students are required to take an assessment test to determine their English proficiency level. This testing will occur on **Monday, August 28th & Tuesday, August 29th at 10:30 a.m.** at Riverside.

EAL students are asked to contact the school office at 604-941-6053 to confirm that they will be taking the test. Please give the name of the new student to the receptionist.

EAL/INTERNATIONAL ORIENTATION

All EAL students and their parents and guardians are invited to an orientation on **Tuesday, September 12th from 3:15 p.m. in the cafeteria.** This will include a tour of the school and an important information session for students and parents about how to be successful in EAL at Riverside. We will also talk about the different supports that are available to EAL students at Riverside.

RIVERSIDE CAFETERIA

The Riverside cafeteria offers a wide variety of healthy and nutritious snacks and lunches at a low price. We have sandwiches and a pasta bar with sauces all made in school using healthy ingredients. We offer different daily specials such as NY steak sandwiches, fresh steamed vegetables and roasted potatoes. Our students make all our soups from scratch. We also cut our own French fries and roll our fresh pizza dough daily. Items in the cafeteria start at about \$1.50 and max out at about \$6.00 for a full meal. The cafeteria is a student driven program where students make all the food for staff and peers. We invite you to come and join us and try out our healthy and delicious food!

ATHLETIC FEES

At the secondary level, there are many optional extra-curricular athletics activities for students to participate in. One of the questions that parents sometimes ask is where the funds collected from athletic fees are spent. Here is a brief summary of costs that the school has to cover in order to offer extra-curricular programs. Athletic fees are divided into two main sections:

1. Basic Athletic Fees (unlimited participation in sports for the year). This fee covers costs such as athletic association fees, teacher on call costs to release coaches during the school day, equipment replacement, awards and banquet costs, uniform replacement costs as well as many other cost items such as first aid supplies, banners and miscellaneous equipment. The school does not receive any provincial or district funding for any of these costs, and therefore part of the costs of these optional programs must be passed onto the parents and students. Currently, the fees we collect account for much less than our actual total costs so the school supplements these extra-curricular activities significantly.
2. Individual Sport Fees (vary according to each sport costs). Each sport pays association fees, tournament costs, official's costs, as well as several other miscellaneous costs. Again, the school supplements these extra-curricular activities significantly.

Overall, the reality is that the costs of playing sports, whether through community sports, or through extra-curricular school programs, are rising every year. We, at Riverside, will continue to do our best to offer our students these opportunities, and to supplement the costs to the best of our ability given our limited funding.

IMPORTANT MESSAGE TO PARENTS

Do you pick up your son or daughter from school?

If so, please use the student lot at the north end of the school, adjacent to Gates Park. Congestion around the front of the school has increased significantly, and poses safety concerns. A recent letter from the City of Port Coquitlam, Fire and Rescue states:

"It is the goal of your fire department to ensure that all children, staff, and visitors to your school receive the quickest emergency response for any emergency, at all times.

We are asking that all parents and visitors who pick up or drop off children and/or delivery items to your school be asked not to obstruct or block fire department road access, hydrants, or fire department connections at any time. Under the City of Port Coquitlam Fire Bylaw #3221, a fine in the amount of \$100.00 can be issued for each of the above mentioned offences."

We also ask that parents do not pick up their children at any time in the staff parking lot at the front of the school. This limits the ability for staff to enter or exit the school and impairs parents with children in wheelchairs from picking up or dropping off their children in the designated handicapped spots.

We are asking for your cooperation with this. Parking on Reeve Street is not a problem; and again, the lot by Gates Park is available. Some parents also find it easier to have an agreed upon meetup spot a block or two off school property. The marked drop-off zone in front of the school may still be used to drop students off in the morning.

MUSIC DEPARTMENT

Join the excitement and be a part of our team!

Anyone interested in learning music is welcome to join and no prior experience is necessary, even if you are in Grade 12. *It's not too late!* If you're a sports person, we can make the schedule work for you too. We will get you started in the area of your interest and there are many groups to choose from whether it's rock, vocal to orchestral type ensembles. There are non-performing groups, to ensembles that receive community requests to perform for special events that you can be a part of. Travelling and working with professional musicians are all part of our adventures. Music is a great way to meet new friends and a way of giving back, healing, creating, and celebrating.

Contact Ms. Ottens at gottens@sd43.bc.ca to find out how you can be involved.

Show Choir/Choir Concerts at Evergreen Theatre are coming up at the very beginning of the school year and we will need to meet on the first Wednesday Sept. 6th at 8:00 am for 45 minutes. Bring a friend or two and you can all enjoy in the excitement of a couple of unique opportunities. We have been asked to perform in an original theatrical number produced for the 125th Coquitlam Anniversary and another concert that involves singing original songs written by a popular composer, Ryzard. Even if you are new to this team of singers, you are welcome to join us. More information will be posted on the Music

Department website that can be found under the programs menu from Riverside's home page.

Music Department General Orientation: Wednesday Sept. 6th at 7:00 pm in the Choir room (down the hall by the Gym – signs will be posted). This meeting is an opportunity for students and their parents/guardians to meet their teacher, to find out about the different ensembles, programs, events, expectations, where to find instruments, and to answer any other curiosities that you may have. If you haven't signed-up for a music class, it is not too late and this is a good time to ask any questions you may have.

First Music Classes: Students interested in Band/band instruments, will need to attend class for a short period of time during the first week. For new and Grade 9/10 students, please come on the first Thursday Sept. 7th at 8:15 am, without instruments. Grade 11/12's, please come on Friday Sept. 8th at 8:15 am, without instruments. Anyone needing an instrument from the school, please contact Ms. Ottens at gottens@sd43.bc.ca. If you are interested in purchasing/renting an instrument from a music store and would like a little advise, feel free to contact Ms. Ottens ahead of time so you can be aware of what to look for.

Being a part of a musical team is sure to reward you and add spice to your life!

Riverside Secondary Europe Exchange Program
Fall, 2017 Austrian Student Visitors

Four More Host Families Needed!!!

With the primary aim of developing an understanding and appreciation for Canadian and European culture and an opportunity to visit distant lands, this very successful exchange program dates back to the inception of our school. Over the years, Riverside families have hosted hundreds of students from our sister school, Landstrasser Gymnasium in Vienna, Austria and in turn, they have hosted many of our students.

Fourteen male and female students in grades 10, 11 and 12 will be visiting Riverside from Thursday, September 14th to Monday, September 25th, 2017. We are in need of four families to host these students. Each of the Austrian students are female and sixteen years old. Obligations of host families include providing visiting students with a place to sleep; meals for the duration of the stay; a packed snack or lunch for day trips and making the visiting students feel as much a part of a typical Canadian family as possible. Visiting students have a sound grasp on the English language. Visiting students will have a set itinerary for the school day with host families taking responsibility for activities during the evening and on the two visiting weekends.

It would not be unusual for a host family to ask a visiting student to help with meal preparation or basic chores. In return, Riverside students that would like to travel to Europe with our school group in the spring of 2018 would likely be hosted by the same student. Over the years, Riverside families have been extremely generous with visiting students as have the Austrian families with our students. Further information on hosting an exchange student including host family applications can be found on Mr. Luongo's home page located on our school share point site or on the bulletin board set up outside

Rm. 124 on the main floor of the school. Feel free to contact Mr. Chee at cchee@sd43.bc.ca or Mr. Luongo at mluongo@sd43.bc.ca with any inquires or to let them know that you are interested in hosting

EXCHANGE PROGRAMS WITH AUSTRIA AND ITALY

Established in 1997

Host Family and Travel Information Travel to Europe in the Spring of 2018

Over the past 20 years a successful and rewarding program has been in place at our school, enabling students from Riverside Secondary to experience traveling and living in a foreign culture or welcoming a student from one of our partner schools in Austria or Italy, into their homes.

Everyone can be a “tourist” but being a “traveler”, exposed to the authentic life anywhere, is different and will give you a much broader horizon and enable you to understand other cultures better which will also be a great asset for any future career.

Why should I consider taking part in a homestay program or hosting someone in my family?

A "homestay" is a cultural exchange in which a person visiting or temporarily staying in another country lives with a family. Homestays involve relationships between people and should not be confused with a boarding-house or hotel experience in which a person only rents a room.

A homestay exposes students to a rich variety of cultural learning opportunities, such as family activities, holiday celebrations, religious practices, sporting events, etc.

A homestay often results in students developing deep, lasting friendships with their families. Such a personal connection broadens one's horizon and enables barriers to be broken and better understood.

A homestay with a host family is a great way to experience life in another country, in the home of a family whose child is similar in age with the visiting student.

Homestays are wonderful opportunities to learn about family life and values in another country; interact with people of different ages; and share their own culture and interests. Homestay students must be willing to make an effort to communicate and cooperate with others and have an OPEN MIND towards new experiences from food to cultural activities.

Not every Riverside student will have the opportunity to travel to Austria or Italy to experience the culture and life in these great countries. Inviting someone to stay for 10 days in your home here in Port Coquitlam is a wonderful opportunity to start a friendship. Getting to know someone who lives in a different culture might open some wonderful opportunities in the future.

Our homestay programs to Europe also involve a traveling component, whereby we tour for a few days to see some of the other highlights of the countries we are visiting. For instance, while in Vienna, our group has always had a day trip to the majestic canal city of Budapest, Hungary. This year includes the historical city of Bratislava, Slovakia. And while staying with the host families, we go and visit great sights, museums, and experience cultural activities including the world famous Spanish Riding School. Things we don't normally do on a day to day basis when at home.

The relationship between Riverside Secondary and its two partner schools in Vienna, Austria and Florence, Italy has been one full of warmth and great cooperation. As students ventured out to learn about different cultures and opened their eyes and hearts, not only did they enhance their education but also enriched their lives from adolescence onward. Lifelong lessons and memories have been embedded in the minds of past participants and numerous testimonials exist from former students corroborating this.

In this day and age of computers and social media, it has become even more important to stretch out and extend ourselves socially. Taking part in our exchange programs is proving to be even more valuable than ever before as employers look for travelled, culturally aware employees.

We encourage you to look at our programs and give consideration to involving yourself somehow and/or actually travel to Austria or Italy with the Riverside Exchange program.

We currently have a group of fourteen Austrian students planning to visit From Thursday, Sept. 14th to Monday, Sept. 25th, 2017. If you would like to host one of these visiting students please complete an application form and turn it in or scan and send it to Mr. Luongo at Mluongo@sd43.bc.ca. Further, if you would like to travel to Europe in the Spring of 2018, complete the application form and again turn in or scan and send to Mr. Luongo. Our spring, 2018 plans include spending time in Vienna, one of the most liveable and exciting cities in the world. As an Imperial City, it is full of old world history and charm, yet is one of the most modern European cities on the continent. While in Vienna, we will attend a practice session of the famous white stallions of the Spanish Riding School. St. Stephens Cathedral is always a treat being guided by local priest, Father Bratz. Our travels also take us to The City of Art, Florence. We spend a day in the heart of the city visiting Il Duomo, Ponte Vecchio and the local market. Time will allow a visit to a museum of choice. Finally, Rome! The Colosseum, St. Peter's Basilica, walking this wonderful historic city sampling the food and experiencing the people. The trip ends with a train ride to Venice for a day before returning home. La Dolce Vita! All this for the low cost of \$4000.

Feel free to contact Mr. Luongo at mluongo@sd43.bc.ca or Mr. Chee at cchee@sd43.bc.ca with any inquiries or comments to help enhance this program.

Hosting information, our trip itinerary, application forms and additional details can be found on our homepage in a folder titled, School 'Trip Information' or 'Europe Trip'. You can follow Mr. Luongo on Twitter at @marioluongo and/or visit our school Facebook page for further details and messages.
