

**A few things to note:**

**Kids in grade 1 – 5 come back on Tuesday, September 5 at 9:00 and are here until 9:30 only. Children in grades 1 – 5 return to their old classroom (regardless of the teacher in the room that morning) New children report to the library.**

**Kindergarten children arrive at 9:30 until about 10:00**

**Kids in grades 1 – 5 will be in their old “last year” classrooms or in a temporary new classroom for Wednesday through Friday. These are temporary classroom assignments for the first week only.**

**Kindergarten children are on a separate schedule and have a different gradual entry format already communicated to parents.**

Don't bring their new school supplies during the first week. We do not expect to have children in the new classrooms until Monday September 11

**DO BRING a pencil box/bag of old school supplies such as crayons, scissors, pencil crayons, felts, etc**

The weather forecast is for high temperatures so pack a water bottle, hat, sunscreen.

Enjoy the last long weekend and see you next week. See you Tuesday☺
