

# BUSINESS DIRECTORY

2012-2013

Dear Rochester Families (2012/2013),

In keeping with the school motto of “working together”, Rochester PAC has created a Business Directory to allow Rochester families to know about the businesses owned and operated by parents, friends, and family members in their child’s school. The goal of the business directory is to allow Rochester families to support each other; first by knowing about the skills and experience that exist in their own school community, and then to provide contact information so those businesses can be reached.

The directory will remain in digital, yet printable, format so that new businesses can be easily added throughout the school year.

The directory will remain available for free on the school website.

If you are interested in having your business included in the directory please forward your contact information to the PAC (email [rochesterpac2011@gmail.com](mailto:rochesterpac2011@gmail.com) ) and we will get back to you about all the details and payment. The cost to have your business included in the directory is \$50/year and the funds raised from the directory will go towards technology purchases for the school.

The goal for 2012/2013 is to have 40 entries by the end of the year, so as to raise \$2000 towards in-class technology tools for our children. We have made a good start, and in the first release of this directory there are already 7 businesses represented. We look forward to hearing from an additional 33 businesses over the year to get us to our goal for 2013.

In closing, the Rochester PAC would like to acknowledge Nancy Bourassa-Jaswal from redhead Design. Nancy is one of our talented parents and was gracious enough to donate her time and expertise to the creation of this directory. See more about her business in our directory! Thank you Nancy.

Best regards,  
Rochester PAC
