Mondays:

ZUMBA

Get your groove on and join Zumba. This is a specially designed class with kid- friendly songs, dances, and actions that promote the overall theme of a healthy lifestyle, with the goal of incorporating fitness as a natural part of children's lives. In Zumba, participants will learn dances to Latin rhythms such as- salsa, cumbia, reggaeton, hip-hop and more. It is designed to let kids max out on fun while dancing their hearts out. Watch their energy and coordination levels soar as they get the groove. Most importantly Zumba is about creating a feeling of fearlessness on the dance floor, reinforcing the idea that it's okay to just be you and dance like no one's watching.

Code	Grades	Day	Time	Room	Dates	# of Sessions	Price
SV- M3	K – Gr. 2	Mondays	3 – 4 PM	Gym	April 24 – June 5	6	$35
SV- M4	Gr.3 – 5	Mondays	4 – 5 PM	Gym	April 24 – June 5	6	$35

PHOTOSHOP

Join us as we explore the digital art world of Adobe Photoshop. Students will learn basic Photoshop skills to edit photos and art compositions. They will be able to create unique digital compositions as they combine digital photography and Photoshop software. They will learn aspects of Photoshop such as editing photos, working with filters, layers and text.

Code	Grades	Day	Time	Room	Dates	# of Sessions	Price
SV - M5	Gr. 4 - 5	Mondays	3 - 4:30 PM	Computer Lab	April 24 – June 5	6	$40

CRAFTY KIDS

Come out and enjoy doing a different craft each week using basic materials to create something from your imagination. Children will learn how to use materials that you have in your home and to jump-start their creativity.

Code	Grades	Day	Time	Room	Dates	# of Sessions	Price

SV – M9	Gr.3 – 5	Mondays	4 – 5 PM	Music Rm	May 1 – June 5	5	$30

Tuesdays:

FENCING

For over nine years, the Tri-City Fencing Academy has operated Youth Fencing Programs in Port Moody, Coquitlam, and Port Coquitlam. The Academy's staff of professional coaches and instructors delivers an educational and fun sports experience in all of District #43's public Recreation Centers. We have over 150 students training and competing at local, provincial, national, and international levels.

Through our public and school beginner classes, we bring the sport to youths 8-18 years old— over 2,000 students per year! We provide a fun and competitive sports environment, suitable for students of all fitness levels.

We supply all the required safe and modern equipment.
Students only need to bring a water bottle, PE strip, good fitting shoes, and a smile.

Code	Grades	Day	Time	Room	Dates	# of Sessions	Price
SV-T3	Gr.4 – Gr.5	Tuesdays	3 – 4 PM	Gym	April 18 – May 16	4	$20

GAME READY FIT & PLAY

Fitness and fundamental movement is developed as the athletes appreciate exercise as a lifestyle. The ABCs of physical literacy, agility, balance and coordination are developed as coaches use games, relays and drills with a focus on high energy and fun.

Code	Grades	Day	Time	Room	Dates	# of Sessions	Price

SV – T5	Gr.1 – 3	Tuesdays	4 – 5 PM	Gym	April 25 – June 6	7	$50

MINI GARDENERS

Mini Gardeners is a program for students wanting to learn about the environment and the world that surrounds us. The participants will build their own gardens, grow plants and maintain them. While the garden is growing the students will learn about different aspects that effect the environment and the world. This program will teach them some biology and ecology. Overall kids will have fun outdoors while learning about different aspects of the environment.

Wednesdays:

KARATE

Karate allows students to explore the world of martial arts in a safe environment while developing strength, flexibility, coordination, and respect for others and themselves. Students will be introduced to basic movements, which include proper stances, blocks, hand-strikes and kicks, including the grading system (coloured belts). Unless you have permission from the sensei to move to the "advanced" program please enroll in the "introductory" program.
*If you are uncertain please enquire with Sensei Kimberly.

JUNIOR SCIENTISTS

This is a fun and creative science program designed for young scientists in mind. Junior Scientists allows kids to use their imagination and creativity to develop their observation skills. The program is a hands-on 1 hour long full of fun science, including science experiments, games and nature experiments. This program helps prepare students for their future by enhancing their critical thinking skills, problem solving skills, and self-esteem while providing opportunities for personal growth. Come out and have FUN with science!

GAME DESIGN
PROVIDED BY UME ACADEMY

JUNIOR GAME DESIGN GRADES 1 – 2

Designed for young learners, this session begins with students working in teams to create board games, design game art, sculpt their own player pieces and devise game rules. Students then use a laptop, mouse to use Unity3D software to create their own video games! Students will learn creative problem solving, design thinking and digital literacy through art, collaboration and video games!
*All hardware, software and supplies are included.

GAME DESIGN GRADES 3 – 5

Create your own video game! In partnership with UME Academy, students make their own video games with Unity3D, the game engine used to make top games like Pokémon Go. We will have fun learning fundamentals of game design, and bringing unique game ideas to life. Students will customize their creations through art, sound and coding. Learning + Play = Fun! Students will showcase their creations to family and friends at a demo day. All hardware, software, and USB sticks are provided.
*All hardware, software and supplies are included.
