

Summer Student Position – Cut Flower Farm

Blue Magic Greenhouses Ltd. is a second generation family owned and operated farm in Pitt Meadows, BC. We are passionate about growing high quality cut flowers year round for the wholesale market.

Gain unique, first-hand experience working in quick crop rotations focused on high productivity and outstanding quality with attention to long term sustainability. We grow diverse crops on 12 acres and utilize a blend of modern, mechanized methods with more traditional “done by hand” methods.

We use a mixture of field and greenhouse production to optimize growing space and quality including: rolling glass greenhouses, poly greenhouses, hoop houses and shade structures. We are looking for 2 hardworking, dedicated individuals to join our small team. One (1) of these positions is part of the Canada Summer Jobs Initiative so applicants for that position must meet the following eligibility requirements:

Eligibility: (if applying please indicate if you meet the CSJ requirements)

- Between the ages of 15 – 30 years of age
- A recent full time student returning to full time studies in the Fall 2018
- Canadian citizen, permanent resident, or under refugee protection
- Eligible to work in Canada

Qualities we are looking for:

- Physically fit and happy to work indoors and outdoors in all weather conditions
- Able to work with a team and independently
- Critical thinking and problem solving
- Ability to bend, walk, lift, crouch and endurance for some repetitive tasks
- Observant and attentive to detail

Learning and Skill Development Opportunities:

- Integrated pest management including utilizing beneficial insects
- On farm sustainability including cover crops, green manure, crop rotation & composting
- Team work, communication & attention to detail

Hours and Compensation:

35-40 hours a week at \$15/hour, Monday-Friday starting at 6:30am

Please submit applications via email to info@bluemagicgreenhouses.com. The job(s) are available until the position is filled. Only successful applicants will be contacted. Visit www.bluemagicgreenhouses.com or our Instagram account for more information about our family farm.
