

Welcome Back to Walton!! And a big welcome to our new families!

Here is some information about our first two days back for students going into Grade 1-5.

**Thursday September 10, 2020 – 15 Minutes**

Students will meet their last year’s teacher outside and on the field for attendance purposes. Your child will check in with their teacher for about 15 minutes. The teachers will be taking attendance and explaining to the students a little bit about what Friday will look like.

Please see the attached map for where students will find their last year’s teacher. There will be signs posted with division numbers and teacher names. For some students their teachers may be harder to find as their teacher is no longer at Walton and for the kindergarten students whose teachers are involved with the new kindergarten students. In this case please check the map carefully. It is marked with last year’s class.

Once students are finished with their teacher they will be dismissed. Because the time frame is quite short parents are welcome to social distance behind the group of students. You are also welcome to go for a quick walk and comeback. It is important parents/caregivers that you please leave the school grounds after your 15 minutes as there will be another group coming soon after. Please make sure you are socially distancing from each other and giving the students room to socially distance with their teacher as well.

Here are the times when students should arrive at school. The chart shows alphabetical by last name.

Since students are not in their cohorts, they will be physically distanced.
