

School District No. 43 Elementary School Meals Program

As you may be aware, the school district has an elementary school meals program. Westwood Elementary is pleased to be part of this program. All food preparation will be done at Centennial Secondary's teaching kitchen, under the direction of the teaching chef and elementary school meal co-ordinators. The meals will be delivered each morning to our school.

Attached to this notice is the menu for the month of September. The meal program offers complete service for each month. For September, orders are due to the office by Monday, September 10th and cheques are payable to our school. We are aware that for some of our families, September can be a difficult month financially. We are able to support a reduced lunch program and ask that you contact your child's teacher or the principal, if this is the case. For further information, please call the school office (604-464-2421) or Mr. Leonard.
