ACE-IT Hairdressing

Information

Hair designers have their work cut out for them and our ACE-IT Hairdressing Program is here to help you pursue your passion and make it your career. The new skills and experiences that this program will teach you, along with your natural talent, will give you a boost into the field of professional hairdressing. The ACE IT program includes 7 hairdressing classes and 700 hours of work-based training. Upon successful completion, you will qualify to write the ITA (Industry Training Authority) Exam and the B.C. Beauty Council Certificate of Qualification Exam.

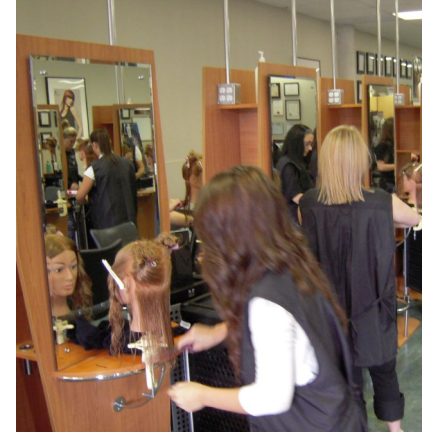

The task at hand

- Learn to analyze hair and scalp conditions
- Learn to cut, shampoo and style hair
- Learn to color, highlight, perm and straighten hair
- Practice massaging the scalp
- Provide professional advice to clients according to their features
- Put your innovative mind and creativity to work

What you need to make the cut

If you have the following skills and abilities, with a strong interest in Hairdressing, then chances are you're a great match for this trade!
