

November 8, 2011

DEAR PARENT(s)/GUARDIAN(s):

Please see the attached report card message from our Superintendent, Mr. Tom Grant. As a school we will be collating report card information and distributing the printed reports on **Friday, November 25**. We anticipate that our report cards will reflect what has been explained in Mr. Grant's letter; our grade 9, 10, and 11 students will receive reports that will identify courses, teachers, and attendance; there will not be grades or work habits assigned to each course. Our grade 12 students will be receiving a more traditional report card that will include grades; however, there will not be teacher comments or a report out on work habit level.

The teachers at Heritage Woods continue to do great work with our students in the classroom teaching, marking and assessing student learning. If you have questions regarding your son's or daughter's progress in a particular class please make contact with either the specific teacher or the appropriate counsellor.

If you have any further questions or concerns please contact our main office.

Thank you,

Ken Cober

Principal
