Good Morning Everyone:

This is just a reminder that we now have this new email address - you can reach us at [ldafrasernorth@gmail.com](mailto:ldafrasernorth@gmail.com)

If you have sent any messages to us over the past 3 weeks or so to the other address at [telus.net](http://telus.net) please re-send them to us at the gmail account. Both of our computers at the FRC have had to be replaced and we lost some of our email and contact information. It would be most helpful if you re-sent your messages. Thanks and have a good weekend. Betty Anne
