

RFP No. 14.26S
Request for Proposals
Land Value Capture Project Team

Please be advised that there is an opportunity, Land Value Capture Project Team, for the Board of Education of School District No. 43 (Coquitlam) as advertised on BC Bid website at www.bcbid.gov.bc.ca

The Board of Education of School District #43(Coquitlam), hereinafter referred to as the "Board", is interested in engaging a firm or team to provide consulting services to assist the Board with the planning, design management and implementation of a strategic capital program specific to the disposition of land. There will be two Phases to this proposal process. Phase 1 will consist of proposals being submitted based on qualifications, technical items and financial items. The intention of the Board is to qualify a small number of Proponents for Phase II. Phase II will follow the release of detailed information on the current road map that the District has in place to capture the value of its land.
