In anticipation of Provincial approval and funding for a new elementary school on Burke Mountain in the Smiling Creek neighbourhood, School District No. 43 would like to invite the community to an Open House and Community Consultation.

**Our goals are to share:**

- the results of the Neighbourhood Learning Centre programming consultation process and public feedback received through our online survey;

- a summary of the conceptual school design process so far and next steps.

**There will be an opportunity for the community to provide feedback on this key public site.**

**When:** Wednesday, June 24th, 2015

**Time:** 6:00 - 7:30 pm
