

Season's Greetings 2017

Christmas time and the winter break are upon us. It is a joyous time for concerts and parties and for spending quality time with friends and family.

After an always busy Fall season the winter break provides time to rest and reflect on our many achievements over the year. Our students continue to succeed because of the strong leadership and collaborative teamwork of all our employees and the positive school communities we have built. Together we have accomplished so much in 2017 and we have many new and exciting opportunities to look forward to in 2018.

The Christmas season is also a time of warmth, compassion, charitable giving and volunteering to help those in need. This is the true spirit of Christmas and we are proud of our students, employees and parents for all they do for each other, their schools and their communities.

May the joy of Christmas be in your hearts, and may your goals for the New Year come true. Relax, recharge and most importantly be festive and merry.

On behalf of School District No. 43 (Coquitlam), I wish a very Merry Christmas and a Happy New Year to all our students, parents and employees!

See you in 2018!

A handwritten signature in cursive script that reads 'Patricia Gartland'.
