

# SWAP FOR LINA !!

*Proudly brought to you by the Legacy Team at Terry Fox Secondary ...*

This spectacular Fundraising Event will occur on **Saturday May 5th, from 10 am -- 2 pm.**

Tables are available for both personal and home-based businesses, at a special low rate of:

\$15 for personal use	or	\$25 for business purposes
-----------------------	----	----------------------------

We are looking for families who want to de-clutter and clear out all those boxes of children's clothing, toys and accessories ... we are also looking for home-based businesses to showcase their products. Furthermore, we will gratefully accept donations of raffle prizes and gift certificates.

We are proud to contribute to Baby Lina's fight against neuroblastoma. This vibrant, amazing 1.5 year old toddler is an inspiration to us all! All proceeds from table rentals, admission fees and concession items will go directly to Lina's Trust. (For more details, visit [www.teamlina.com](http://www.teamlina.com), or "like" Team Lina's page on Facebook.)

Admission is \$1 each (children 8 and under are free) - please keep in mind that this is a fundraising initiative, created and implemented by high school students who are determined to help Lina on her journey.

A concession will be available, and young children can enjoy a free craft activity. Local businesses are contributing great prizes and gift certificates for a Raffle Draw too!

Please help us make a difference in Lina's life -- join us on May 5th and show your support!

CONTACT [swapforlina@gmail.com](mailto:swapforlina@gmail.com) to book your table, or for general inquiries.
